

(TURN PHONE SIDWAYS FOR OPTIMAL EXPERIENCE)

Peace, Reader

From the 1st book of mine called **WHY** on to the latest book, before this one, called **OUT OF THE DARKNESS**, we have been travelinG a rouGh pathway, a pathway that only the **WILLING** ones would ever dare to walk along. When they saw me spell out the word **I** as **E-Y-E**, Reader, they asked me, sayinG **WHY** do you spell this that way? Eye responded to them explaininG that the reason for my spellinG it that way was because the **EYE** has always been associated with the ability to see or to have siGht, and that when **EYE** refer to myself or **THE** self, Eye make it a point to constantly REmind myself of that REality, concerninG siGht, which would also mean concerninG light, beinG that we **SEE** because of the reflection of liGht off of the matter in the realm we are observinG and existinG within in some way shape form or fashion. There are said to actually be **3 EYES**, as you may have come to REalize by now. Those **3 EYES**, from your vantaGe point, are the **left eye**, the **riGht eye**, and the **pineal Gland**, that Gland that has been associated with spiritual awakeninG for aGes. Now take and count out the letters in those **3 EYES**.

$$\mathbf{E+Y+E = 3}$$

$$\mathbf{E+Y+E = 3}$$

$$\mathbf{E+Y+E = 3}$$

The sum of these letters is the number **9**. This is the most **SUPREME** number, the **HIGHEST** number, the most **SACRED** number there is. This number, **9**, is the number of the liGht bulb standinG upriGht. The one who becomes acquainted with this most **DIVINE** number, this most **DIVINE** science, is the one who receives all deGrees, or Grades, and becomes the ascended master, the **G0D** of their realm, or, in code, the **704**, as the letter **G** is the 7th letter in the alphabet, the number **0** is the visual equivalent of the letter **O**, and the letter **D** is the 4th letter in the alphabet.

Take the number **704** and add the numbers 7,0 and 4 toGether. This becomes the **GATEWAY** number, 11. Here is another **SACRED/SECRET** that the one with wisdom is able to **COUNT** or **CALCULATE**. When you beGin your **TRAVELS** as a **MASON**, or what is called a **FREEMASON**, you come in throuGh that **GATEWAY** as an **ENTERED APPRENTICE**, or an **EA**, for short. What is that **GATEWAY**? That **GATEWAY**, or **11**, is none other than the **SACRED** pylons of the foundational twins, called **BOAZ** and **JACHIN**.

BOAZ and JACHIN pillars

You will find biblical mention of this GATEWAY in I KinGs 7:21:

And he set up the pillars in the porch of the temple; and he set up the right pillar, and called the name thereof Jachin; and he set up the left pillar, and called the name thereof Boaz.

Add up the numbers of the chapter and verse above and you will end up with

$$1+7:2+1$$

=

$$8:3$$

=

$$8+3$$

=

11

Pay close attention to the names of the two pillars or pylons, **BOAZ** and **JACHIN**. The name/word **BOAZ** means "strenGth" or "to be stronG" and the name/word **JACHIN** means "he establishes". No coincidence when it comes to the fact that these two "pillars" are the foundational pillars of every "mason" who, at one point, beGan their travels with one step, with a **stronG** foundation beinG **established**, a foundation of 90 deGrees. Do you see the connection?

The foundation necessary to be able to build up a miGhty, **STRONG** temple is **ESTABLISHED** in the very beGinninG, where one beGins their journey of what is known as Growth and Development. That Growth, or that G, which is the 7th letter, and that Development, or that D, which is the 4th letter, becomes GD, which is also G-D, and do note that the "-" in between the G and the D is equivalent to the number 0 which, aGain, is the letter O. Growth and Development is a process. What are you GrowinG and DevelopinG? You are GrowinG and DevelopinG that which is referred to as the **TEMPLE OF GOD**, which is your human body makinG the transition from beinG a mere composition of "adamah" or "adoms" or "atoms" or pieces of the "physical" or solid, denser plane, into beinG one with **HU** or **HUWA** or **YEHUA** or **YAHAWAH** or **YHWH**, to become a true and livinG soul.

This is your transitional process from the **GROUND/ADAM/GEB** throuGh the **AIR/SPIRIT/SHU** into the **HEAVENS/EVE/NUT** that Eye spoke with you about in my book "**How To Love AGain**". Eye Remind you that you are born a **MASON**, or traveler, and that you are supposed to be on that yellow brick road so that you may find your way back **HOME**. Remember that the yellow brick is **GOLD**, and that that is color of the **SUN**, even in ancient **KEMET/EGYPT**, as the **GOLDEN** disc was symbolic of the **SUN**, called the **SOLAR ATEN**. Your **CROWN** will yield for you the liGht of the **SUN**, and you will be able to come forth by day and be led by that liGht. Study the story of **BOAZ** and his wife, called **RUTH** and you will find that they yield a **SUN/SON**, and their **SUN/SON** is called **OBED**, meaninG "worshipper" or "servant of **G0D**". Flip that word "**DEBO**" around and you will come to the word **DEBO**, from the word Adebowale, which literally means "**CROWN COMING HOME**".

This **CROWN** that we are speakinG of is the home or the nest of the brain, that all so important orGan that houses even the pineal Gland, or the first eye, often called the third eye. In order to achieve the **TRUE** liGht of the **AUM**, which will purify the self and cause for only hiGher frequencies to radiate from your beinG, **YOU MUST REWIRE YOUR BRAIN**. By rewire Eye mean you must switch around and RERoute the neural pathways that are streaminG electricity and concentrations of enerGy throuGhout your brain and your nervous system.

Eye want you to think of the "wires" as the water hoses connected to the homes, sittinG outside. REcall those times as young children when it was time to play in the water or fill up the pool with the water or make a rainbow with the water. In order for that water to flow, the hoses had to be untanGled. You need your water to be able to flow freely, as water, with the exception of deionized or **PURE** water, is a very powerful conductor that enerGy or electricity can flow throuGh. So from the hose cominG on, to the water flowinG throuGh the hose, to the water spewinG out of the hose is the process of a traveler, called a "mason", from 1 to 9, with 7 steps in between, siGnifyinG the letter G, which is the 7th letter. When the traveler becomes a **PASS MASTER**, he then trades in that letter **G** for the **SUN**, that true liGht that liGhteth every human beinG that cometh into the world.

This is to siGnify that the **LIGHT** has been turned on as the traveler passes on to become a **LIGHT BEING** or an **ELITE BEING**. So what is the secret of the number 7? The number 7, which the letter G as the letter G is the 7th letter in the alphabet, is actually the **GOD WITHIN**, that **LIGHT THAT WAS IN THE DARKNESS** yet the **DARKNESS COMPREHENDETH IT NOT**. Let's read this excerpt from the bible that speaks of this which you will find in the book of John chapter 1 verses 1-9. Coincidence? No such thinG.

- 1 In the beGinninG was the Word, and the
Word was with God,
and the Word was God.**
- 2 The same was in the beGinninG with God.**
- 3 All thinGs were made by him; and without him was
not any thinG made that was made.**
- 4 In him was life; and the life was the liGht of men.**
- 5 And the liGht shineth in darkness;
and the darkness comprehended it not.**
- 6 There was a man sent from God, whose name was John.**
- 7 The same came for a witness, to bear witness of the LiGht,
that all men throuGh him might believe.**
- 8 He was not that LiGht,
but was sent to bear witness of that LiGht.**
- 9 That was the true LiGht,
which liGhteth every man that cometh into the world.**

The **7** is the **GOD** or the **SUN** within and the **9** is the **MOST HIGH**, that **SUN**, which is the **GOD** or the **SUN** without. Add those numbers together and you Get the number **16**. **1+6+7**. **7** is the **GODLY** number, the **SECRET/SACRED** key that when placed in the **IGNITION** becomes **IGNITED** and the body become **HOLY** or **HALY** or **HALO** or **HELO/HELIOS**, which means **SUN**. When you come to Overstand this science you will come to **REalize** that this whole "journey" is about becominG one with **GOD**, within and without. This is what will make you "**HOLY**" or **WHOLE**. Now Go back to those numbers that Give you the word **GOD**, which are the numbers **7,0** and **4**. Write these numbers out together as "**704**" on a sheet of construction paper while beinG sure to write out the number "**4**" as an "open" **4** as opposed to a closed one. You should end up with somethinG similar to the followinG imaGe:

A hand-drawn number '704' in black ink. The '7' is formed by a horizontal top bar and a vertical stem. The '0' is an oval shape. The '4' is formed by a vertical stem and a horizontal top bar, with the top bar being open on the right side.

Go ahead and flip that number by rotatinG it **180** deGrees.

A hand-drawn word 'HOL' in black ink, which is the number '704' rotated 180 degrees. The 'H' is formed by two vertical stems and a horizontal bottom bar. The 'O' is an oval shape. The 'L' is formed by a vertical stem and a horizontal bottom bar.

You end up with the word "HOL" as in **WHOLE**, meaninG **complete**, and **HOLY**, meaninG essentially the same thinG, as it means **COMPLETE** and **RIGHTEOUS** or **PERFECT**. This is yet another code cracked that you will find in no other book or writinG or teachinG than this one. REcall that the Quran offers this statement from the chapter(surah) called **An-NUR**, which, by no accident, means "The liGht:

**Their liGht will proceed before them
and on their riGht; they will say,
"Our Lord, perfect for us our liGht and forGive us.
Indeed, You are over all thinGs competent."**

This meant that the liGht that is within the livinG beinGs called HUMANS, or HUE+MIMS, is incomplete. Note that the word "mim" is actually a letter in Arabic which is a moon letter. The MOON is the lesser liGht that is COMPLETED by the GREATER liGht, which is the SUN. HUMANS/HUEMIMS have to evolve from the MOON side into the SUN side. They have to Go from that **1** to that **9**, from that darkness to the liGht, and until they do, they are not yet "HOLY" or "WHOLE" or complete. How do Eye make all of these connections? How do Eye crack all of these codes? WHY am Eye able to see throuGh all of the "smoke and mirrors?" WHY does that all so powerful **SPELL OF IGNORANCE** have no effect on me?

In order to fully answer that question Eye have to first explain to you that Eye was never the averaGe beinG in this realm. By NEVER Eye mean ever since my moment of conception, the BIG BANG that caused chaos in the womb of my MA, yieldinG a SON, where Eye first became a MASON, without the "raisinG up" or the help of any MAN. My Ummi, my Umi, My Mother, was there, in the beGinninG, when Eye emerGed from the primordial waters, and merGed into this reality, as did you, approximately 9 months before September 20, 1998, when Eye walked throuGh the **GATEWAY**, those pillars, the left and the riGht leGs of my mother, on 9-20-1998.

$$9+2+1+9+9+8$$

=

$$38$$

=

$$3+8$$

=

$$11$$

And approximately 9 months prior to that day, when both my mother and my father joined forces, and upon that very moment of my conception, my Ummy explained that she knew immediately that Eye had arrived. She explains, to this day, in Great detail, that she heard what she described as "chimes" and that everywhere she looked she beheld the color **INDIGO** and saw **GOLDEN** flakes. Eye came into this realm with all of the vibrations of the **CROWN**. Eye was conceived complete. Thus, Eye was born **PEFRECT**, or **HOLY**, or **WHOLE**. If you ever hear or read me say the words "Eye was born on top of the mountain," this is what Eye mean. Eye was born **INTO** a **sinful** world, yet my nature and my very beinG was never **OF** this world. Eye knew this as a child. Eye was there to experience when the **MOST HONORABLE DR. MALACHI Z. YORK** erected **TAMA RE** in Eatonton, Ga. Eye was on that **HOLY LAND**, as a young child, playinG in the sand, buildinG pyramids.

Eye was there to experience **HEAVEN ON EARTH**. Eye was already in **HEAVEN**. Eye was already in the **TRUE LIGHT**. Eye was born on top of the mountain, with my eyes wide open. And then came the army of **SET**, and they did march and lay seiGe. Eye saw the **HOLY LAND**, destroyed. Eye saw the **LAMB**, captured. Eye was too younG to **ACT**, but Eye was **NOT** too younG to **REmemeber**. Do you think that stops people, even to this day, from questioninG me and my loyalty to not only the **MASTER TEACHER, MALACHI ZODOQUEL**, but they also question my even ever beinG involved in the "mission" at all?

Eye tell them that Eye was **THERE** and that Eye **REmemeber** what it was like. Eye describe for them the fish in the pond up under the burnGundy and white bridge and how they used to swim up to me and look up at me with what appears in my memory as "human-eyes". Eye explain to them that Eye used to want to ride on the little train cars that rode throuGh the land, but Eye was told that Eye was too younG. Eye describe deity row, the row of Great statues of all the oriGinal Gods and Goddesses. Eye describe the land at niGht time and how there is no other feelinG on this planet like what was felt in the maGical shadow hours of **TAMA RE**. Eye tell them all of these thinGs, and they still question me and doubt me, overlookinG the most important fact of all: **EYE WAS 4 YEARS OLD WHEN THEY, THE FBI, RAIDED THE LAND**. Eye **REmember** the day that Eye was told that the **MASTER TEACHER** had been taken. Eye was too younG to know him personally. This did not stop me from cryinG.

TAMA RE, EGYPT OF THE WEST

Just as they doubt me and question me when it comes to my sincerity and my loyalty to **MALACHI** and the "mission", so do these people, people who Eye call "boy scout Masons", who hear me speak of and from the craft and **KNOW** that what Eye speak is **PURE FACTS** and **CLEAN TRUTH**, yet they step to me as if we are in some type of street GanG, orderinG me to disclose who my GrandMother is, orderinG me to announce where Eye was raised, or where Eye hailed from. This is not, in itself, problematic, because if a brother asks the question of another brother, the brother beinG questioned is expected to respond, and the response is simple enough that there should be no type of deflection or "tap-dancinG" around the question.

Still, even if this brother does not answer this question, a question that is out in the open, in the **LIGHT**, there are a million other ways that a brother can "step to" another brother and **GuaGe** whether or not they have ever met **BOAZ** and his family. What does this mean? Well if Eye were to even brinG that linGo to these boyscout masons, they wouldn't even Overstand the context. Eye am referrinG to, Reader, **BOAZ's** wife, called **RUTH**. What is the meaninG of **RUTH**? The name **RUTH** means **FRIEND**. When it comes to masonry and masonic "linGo", a "**FRIEND**" is a fellow initiate, meaninG they have **AT LEAST** walked throuGh the **GATEWAY**, called **BOAZ** and **JACHIN**. The opposite of a **FRIEND** in masonry is not a "**FOE**", but an "**EAVESDROPPER**", meaninG a secret listener to private conversations. Eye have clearly met **BOAZ** and his **FAMILY**. Eye am a **FRIEND**.

However, Eye am no fool. Eye am a wise man. Eye have a sonG that Eye wrote years aGo, called **NO FRIENDS**. Why did Eye Give that sonG that title? Why was the music video <https://www.youtube.com/watch?v=CifQeaMKe2Q> in black and white, as in the black and white chessboard floors of the lodGE? Why do Eye make mention of thinGs like the "east side" and "travelinG n*GGas" and movinG "cautiously", etc.? Do you see where I'm GoinG with this? All of these are masonic sacred words and utterances. Eye called the sonG **NO FRIENDS** because Eye knew, even back then, that Eye would have **NO FRIENDS**, because Eye was choosinG to walk in the liGht, and not the darkness, which is a violation of our **oath**, or **OB**, which means our **OBLIGATION**. What is meant by walkinG in the liGht as opposed to the darkness? Most masons will never admit what Eye am about to tell you. When we became initiates, after our divestation and our circumambulation and our death, we were called forth to take an oath/obliGation. That oath/obliGation was to the **DARK SIDE**, one of the squares on the black and white chessboard floors.

Eye **RE**member. Eye was still **BLINDFOLDED**. Eye had already received my "name", which was **CAUTION**. Eye Gave my **OATH**, holdinG a "bible". That **OATH**, as Eye do **RE**call, beGan with the pledGinG of alleGiance to the **DARK SIDE**:

Eye will ALWAYS hele, Eye (conceal)

Note, Reader, that Eye beGan my travels “officially” at aGe 16. This is 100% **FACTS**. Think about it. If Eye wanted to “play mason”, why wouldn’t Eye just say Eye was 18 when Eye was initiated? You mean this man knows all of this there is to know about masonry and the initiation process and somehow he was unaware that the universally accepted aGe requirement is from 18-21? No. Eye am aware now and was aware then that the universally accepted aGe requirement is from 18-21. The **GRAND MASTERS** who brouGht me throuGh were also very much aware of the universally accepted aGe requirement. For some reason, they still allowed me to travel. Eye, myself was eaGer. No Eye didn’t lie about my aGe. Not only did they know my aGe, **THEY** actually came to me and said that they wanted to talk to me about “**the square**”. That’s an important detail, because as Eye explained in my book “**Who Knows The Secrets**”, in order to Be a mason, you have to Ask a mason.

That code is: **2B1ASK1** or **2B1A1**.
(refer to *Who Knows The Secrets* book by Faise One)

Why do Eye say that every mason pledGed alleGiance to the **DARK SIDE**? When most people hear the words “dark” and “side” spoken toGether, they automatically assume that the word “dark” is beinG used to siGnify evil. **DARK** does not always mean **EVIL**. Dark or darkness can also mean confusion, disorder, secrecy, nondisclosure, unknown, etc. When we, those who took that **OATH**, uttered the words:

“EYE WILL ALWAYS **HELE**, EYE **CONCEAL**...”
and to disclose further:
“EYE WILL ALWAYS/FOREVER **CONCEAL**
AND NEVER REVEAL ANY OF THE
HIDDEN MYSTERIES OF FREE MASONRY”

We were indeed swearinG to darkness, meaninG we were swearinG to secrecy.

Eye knew, even at aGe 16, that Eye would **NOT** “honor” that **OATH**, because that **OATH** within itself was in violation. How would Eye be able to stand on my square and never **REveal**? How could Eye be a part of the **DIVINE** order and never **REVEAL**? Eye, myself, would be in violation of the **DIVINE** order, that which was explained in the **BIBLE** in the book of **LUKE** chapter 12 verse 2:

For there is nothing covered, that shall not be REvealed; neither hid, that shall not be known. (3) Therefore whatsoever ye have spoken in darkness shall be heard in the liGht; and that which ye have spoken in the ear in closets shall be proclaimed upon the housetops

Eye still can have respect for these people for thinkinG that it is honorable to keep oaths of vanity. They believe that they “safeguard” the “sacreds” and the “secrets” and the “mysteries”, but they only **BOGUARD** them. It is far beyond time for the science to actually be applied. And Eye could, in this very book, show you, Reader, just who my Grand Masters are, where the lodGe is that Eye was initiated in, and Eye can connect that to actual music videos and locations and sonGs and albums and mixtapes and projects that will show and prove that this was no thrown toGether “clout chase”. Eye am often amazed myself at how advanced, ahead of my time and calculated Eye was at such a younG aGe, so Eye am not surprised at the boyscout masons and other onlookers’ difficulty with cominG to Grips with my Wisdom and OverstandinG and ReasoninG and Charisma and Intellect and KnowledGe and Experience, amonG other thinGs, but this is what it is.

This **IS** happeninG. There is yet another **BUDDHA** amonG us, and his name has been Given to you to be Faise One, and **OMARI SHAMAN HARGROVE**, and he has a name that only he knows, as he was tauGht to protect earlier on in life, and he will always protect that name. Eye did not lose the point. Eye only wanted to stress that Eye am not in the business of fabricatinG a life or a story. This is **REAL**. **MASONRY** is only **ONE** of the schools I’ve walked throuGh. More will be **REvealed**. Moor will be tauGht as we continue to walk.

Eye learned a lot about how this realm was constructed and how it functions throuGh **MASONRY**. Eye already had an edGe due to my exposure to “**RIGHT KNOWLEDGE**”, that spell breakinG activation, called a doctrine, which Eye do not like to refer to it as such, as to “**DOCTOR**” somethinG is to falsify it, and what **MALACHI Z. YORK** did was the exact opposite. He brouGht all thinGs to the liGht. He set the whole **REcord** straiGht. With all of these deGrees, Eye became an **ENLIGHTENED** or **LIT UP** beinG at a very younG aGe. Eye learned all about **EL KULUWM** or **THE ALL** throuGhout my **YOUTH**.

Eye was tauGht about how all thinGs are **ONE**. Eye was tauGht that there are **NO COINCIDENSES**. Eye was tauGht that there is allways a way to figure thinGs out. ThrouGh alchemy Eye learned the true meaninG of “breakinG thinGs down”. If you can Overstand what a thinG is “made of” and how it is made, you can Overstand more about that thinG as a “whole” and how to “break it down” or “dissolve it”. For example, Eye want you to read this question and then close your eyes and answer it before readinG on.

What is this number “8” made of?

There are absolutely correct answers, yes. But Eye want you to realize that there is no "one" riGht answer because all of those answers will be an answer and they will each, altoGether, form **THE** answer. Let's look at it. Someone could answer this question and say that this number 8 is made of two "4s", as in $4+4=8$. Someone else miGht offer that this number is composed of four "2s", as in $2+2+2+2=8$. Someone else may come in and say that this number 8 is made of eiGht "1s", as in $1+1+1+1+1+1+1+1=8$. Another person may come in and say this number 8 is composed of two circles or "Os", as in the shape of the "8" itself. Someone else could state that this number 8 is composed of white pixels in the shape of an "8" on top of red pixels in the shape of a "circle". What did you answer?

The point here is that all of these answers are connected. If someone were to ask you to "break down" or to "unpack" or to "decode" this "8", you could easily just Give one of these answers. Most people would. Then there are those of us who will provide all of these answers and then some. We are the ones who not only can complete and present **MAJOR breakdowns** of this realm we're in and beyond, we can also present and complete **MAJOR buildups** of this realm we're in and beyond. Eye am able to build and destroy. Just as you are. The stronGer and sharper your mind becomes, the more you'll be able to activate and actually utilize your psychic Gifts.

This is why it's so important that we make it up out of **hell**, which is this world of **illusion**. Don't make the mistake of assuminG that "**hell**" has to be associated with aGony or pain or sorrow or discomfort. People can exist in a world of hell and be completely blissful and happy. You may have heard it to be said before that **HELL** is only a state of mind and that **HELL** is only within. This is not possible. Yes, **HELL** can and often does exist in the minds or the brains of the **HUMAN** beinGs. However, it is not and **CAN NOT** only be within. There's always a **WITHOUT**. Why do Eye explain this? There can be a situation where someone is in **HEAVEN** in their mind but surrounded by **HELL**. There can also be a situation where a person can be in **HELL** in their mind but surrounded by **HEAVEN**.

The point of callinG out that the world Goes throuGh REhab is to call forth that Reality of that WAR between **MICHAEL** and his ANGELS and **SATAN** and his ANGELS, REMemberinG that it was already written that the **DECEIVER** of the whole world will NOT prevail. All of you **TRUE CHRISTS** and all of you **BUDDHAS** and all of you **GURUS** and all of you **SHAMANS** and all of you **MESSIAHS** and all of you **ACENDED MASTERS**, COME FORTH.

WE NEED YOU.

If it were not so Eye wouldn't write it. It takes the **TRUE ELECT** to reform and to redeem this world. How are we to purify this world if we have not purified ourselves? Come forth, **RIGHTEOUS ONES**, and those of you who move in the name of **RIGHTEOUSNESS**. Eye don't expect that you never failed or that you never fail, Eye ask that you keep walkinG. Eye don't doubt that you have lost your way, Eye call out and say, follow the sound of my voice. Eye know the delicacies, Eye have sat at the table with the **QUEENS** and the **KINGS**, Eye know their meals are well prepared, and that they do eat above your homes, and your cities, and they sit on top of clouds and they fill their bellies with the richest bread and the sweetest honey, and they sip the finest of wine. Eye sat at the table and Eye bore witness to their full course meals. Eye know the delicacies. They taste everythinG but **hell**.

Their crumbs crumble and fall, crashinG throuGh your roofs and you rejoice, and your families eat. Eye know the delicacies. Their leftovers slide down the mountains and flood the streets and your people lift up their swords and they war over the remaininG Grub, and they stamp on the bread and they die on top of the meat and they triumph, ankle deep in the soup and you cannot tell the wine from the blood. Eye know the delicacies. You think this to be a feast? And we have been offered the finest of all of these thinGs and more. The bulk of our task was to seek out that inner purity, that kinGdom of **GOD** and its **RIGHTEOUSNESS**. We were offered **REAL RE**wards. Eye know the delicacies.

It's such a deliciously sour, bittersweet world. People don't want to leave it behind. **They do not have to stay**. But they are trapped. They have all been tricked. They have all been deceived. Time will not slow down. They have to speed up. Reader, answer me this. If you are not able to swim, yourself, then how can you save someone from drowninG? Answer me somethinG else. Would you rather it be that you had to jump in and "save" someone from drowninG or would you rather it be that they knew how to swim and "save" themselves. I'm tellinG you that Eye would rather the people learn to swim. Eye would rather that they Get up out of that dirty "water" to begin with.

This book is a **CALL** and a **CLAIM**. Eye am **CALLING** all of **GOD**'s children **HOME**. **COME HOME**. Eye don't care how far you've drifted off into the dark corners of the world. **COME HOME**. Eye don't care how comfortable you are or how settled you may be in this **illusionary** world. **COME HOME**. Eye am **CALLING** out, in tone, to your **SOUL**. **RE**member, Reader, and **COME HOME**.

Eye am **CLAIMING** all of **GOD**'s children, that they may be **REdeemed**. You may not have faith in you, but **EYE DO**. You may have forGotten who you belong to, but **EYE REMEMBER**. My hand is extended, take what's in it. It is your **REMINDER**. Now Grab my hand. You will walk throuGh smolderinG heat. You will be cold at times. Your head will ache. The dark lords, the ones Eye call the **SHADOW LURKERS** will challenGe and taunt you, day in and day out. They will scream from what will sound like the very depths of your consciousness, causing a warpinG sensation. They will suGGest that you Give up. They will declare your efforts useless. They will beG your enerGy and your attention. Eye know these beinGs. This is no alleGory. This is no riddle. This is no parable. This is what they will do.

Here is how you will overcome them. When they approach you in dreams, you will not fear them. **REMEMBER** that they are not allowed to cross over and hold frequency in this realm, and so if you see them, you are most likely dreaminG, and you are in no real danGer, yet you are still **NOT** to enGaGe. If you are approached by these beinGs sexually, reject them. When you beGin to abstain and refrain from masturbation and ejaculation and pornoGraphy and alcohol and casual sex, etc., in the beGinninG of that journey, you may become a tarGet. Why is it that those who indulGe are tarGets already and those who refrain and abstain may become tarGets also? This is because those who indulGe are already on the "frequency" of the beinGs and these beinGs use them for their enerGetic yields, which these beinGs consume as "food", and those who refrain and abstain may also experience some "build up" of lustful or sexual enerGy that is actually more "potent" and desired and sauGht out by the **SHADOW LURKERS**.

This is why transmutation and meditation and/or prayer and chanGe of environment and diet is so important as you Go into "**REHAB MODE**".

Eye don't tell you these thinGs to scare you away. Eye tell you these thinGs so that you miGht be prepared in the event that you do encounter such beinGs, as Eye have before, and Eye overcame them.

NEVER SUBMIT

This includes if and when you have what is called "**intrusive thouGhts**". Don't beat yourself up, most people have experienced this phenomenon at one point in their life or the other. Instead, identify the "intrusive thouGht" and send it on its way. You can use the powerful **mantra** or **utterance**:

THIS IS **NOT** MY THOUGHT,
EYE **DO NOT** AGREE WITH THIS THOUGHT,
THIS THOUGHT IS **NOT** WELCOME IN MY **MIND**.
THOUGHT, **BE GONE**.

This is a part of your activation of what is called your **PSYCHIC DEFENSE**. As you become **REnewed**, you will be much more cautious of what you allow into your **SHRINE**, or your **HOLY PLACE**, which is your **MIND**. When a mother is expectinG a new born, she usually cleans her home or dwellinG thorouGhly to make room for the **NEW LIFE** and to make sure it's as **CLEANLY** and **GODLY** as possible as this brand new beinG comes forth.

This is what you have been doinG, if you have been walkinG with me, and this is what you will be doinG, movinG forward. You, the version of you that is becominG **ONE** with your soul, are the **NEW BORN**. Your **BRAIN/MIND** is your home, and your actions and your faith and your **WILL POWER** and your consistency are the cleaninG equipment. You will be **READY** for your **NEW LIFE**. You **ARE** Ready. The doors of **REHAB** are open, Reader. Cast down your vices. You are stronGer than what you may even know. Eye know this to be true.

THIS IS THE **REHAB** BOOK

From your **foundation** that you've built with discipline and dedication and will power, you will travel on "upwards" to your **house** to retrieve the **illuminated treasure**, which you will use to **heal** your beinG, once and for all, and you will then be able to **sinG** a sonG as it were a **NEW** sonG, takinG your riGhtful place as "GODS", **commandinG** the realm with a **NEW, CLEAR** vision, sparked by your **UNITY**, and you will then be able to experience the **Grandest Flower**, the **FIELD**:

Flower
IGNited
EmittinG
LonGevous
Divinity

Above is a riddle. Eye pondered on whether or not Eye would solve it for you. Eye color coded it and spoke it in an order that was very clear. You can solve it. It's not very complicated when you really read into it and pay attention to what is hiGhliGhted. The "answer" is simple.

Question:

What system is beinG referred to and how?

(Answer it for yourself.)

"The man/woman who at **WILL can assume whatever state he pleases has found the keys to the kingdom of heaven"**

- **Neville Goddard**

Eye have been speakinG to, teachinG and remindinG masses of people lately about how this thinG called **ascension** requires a whole lot more action than what we've been seeinG for the past two decades. There is so much more that needs to be done and there are a lot more steps that need to be taken. Since the end of the year **2022** and even before then, I've been demonstratinG to masses of people how to beGin takinG those necessary steps toward their "**ascension**." Those who have been walkinG with me have been raisinG their frequencies, step by step. Eye am sure to remind them that when we speak of "**frequencies**" raisinG up we aren't speakinG in terms of any concepts rooted in what is called "**spookism**".

Spookism, or **Ghostism**, or **Spiritism**, is, simply put, the realm of belief. When people are trapped within the world of "spirit" and "faith" and "belief", they are livinG under a spell and are at risk of beinG blindly led astray. If people aren't careful and cautious, even concepts, ideas and realities such as "**ascension**" can, has been, and will continue to be "**spiritualized**". It's important to note that one's **ASCENSION** is not a "**spiritual**" or "**Ghostly**" experience. Most people are clueless as to what the word spiritual actually means, to beGin with, and so they tend to rest at chopped and screwed definitions and translations and explanations of the word instead of payinG attention to the whole reality encirclinG the word.

That reality is: people have associated spirituality with a **metaphysical** reality that can't truly be explained and expressed about without the person tryinG to explain it "**spiritualizinG**" the concept and therefore leadinG people to have to **BELIEVE** in it without **KNOWING** what it is. This is how even what is modernly referred to as **SPIRITUALITY** has become a reliGion. It has turned into a movement based on mixed and remixed beliefs, yieldinG a mixed and remixed belief system that is actually based on the same thinGs the people who practice spirituality often shun. For example, the holy books such as the **Bible** and the **Quran**. Spirituality has "broken off" from the two main reliGions that are linked to those books, which are Christianity and Islam.

BeinG that people have also been tauGht to just believe in the stories and characters of these reliGions and their accompanyingG books and to practice these two reliGions without questioninG them, people haven't even fiGured out what the purposes of these reliGions are, no matter how simple people may make them out to be. **If they're so simple, why all the confusion? If they're so simple, why haven't people been able to realize and make sense of why these reliGions and books and scrolls exist?**

Due to the fact that people haven't figured that out to date, anything that branches off from these religions and books and scrolls and stories is, was, and will always be bound to be pushed forth to the world as new systems of belief, overshadowed by **spookism**.

Ascension is not spooky.

Ascension is not mystical.

Ascension is not theoretical.

Ascension is scientific.

Ascension is reality.

Ascension is actuality.

Please **KNOW** and **OVERSTAND**
these truths:

You CAN NOT FAKE the walk of the chosen.

**You CAN NOT FAKE the walk of the
elect**

Or the illuminated ones

Or the enlightened ones

Or the ones with their crowns activated

Or the ones with their coronas activated.

In addition to Christianity and Islam, there's Hinduism. In all actuality, although people refer to the spiritual/conscious community as the **NEO-SPIRITUAL** community, where you have that word "**NEO**", meaning "**NEW**", and although, as Eye stated earlier, it's "becoming" a religion, that which is being called **NEOSPIRITUALITY** is in fact Modernized Hinduism. How can people truly "move beyond religion" if they can't even come to grips with their being a part of one? Hinduism, the oldest religion documented in human history, was actually never intended to BE a religion, but a way of life. That way of life was supposed to encourage human beings to become **SCIENTISTS** so that they may be able to better Overstand reality as well as their role(s) in reality. They were to learn from all Masters or Buddhas. They were not to worship them as **GODS**.

The same Goes for those of you who are of the "woke" or "conscious" community. Many of you were pulled from your **PILLARS OF FAITH**, if you will, and tossed into a whole new world of wonder, havinG been told that you had been lied to and that "reliGion was man made" and that you were, in essence, **GOD**, alone and that you should "wake up". There is truth to each and every one of those statements. However, without enouGh OverstandinG as to why those statements have truth to them, people run the risk of just rejectinG the sciences altoGether. That type of OverstandinG comes from actually explorinG MORE about the reliGion(s) they were brouGht up in or raised up under. Most people who become "spiritual" do the exact opposite and actually choose NOT to be scholars and seekers of TRUTH. They end up followinG some self appointed "LEADER" who most of the time is a man who either decided for himself or was otherwise told that he was **GOD** and was therefore the "ALL KNOWING" or the "SOURCE" and that all answers could be found "WITHIN".

People who follow these so-called leaders are never fully informed on how to "Go within" or what that even means, truthfully speakinG, and how they can actually Get answers to real questions they have about real thinGs in their REality, an "outside" REality that is beinG reflected back onto them, throuGh their eyes, and into their minds/brains. They are seekinG to Overstand more about this world that exists OUTSIDE of their bodies. If they want to learn about what photosynthesis is, they are not to Go "within" to learn about it. If they need directions from their new home to the nearest Grocery store, they are not to Go "within" to Get those directions. This notion of GoinG "within" is beinG and has been pushed by so-called woke leaders due to their lack of OverstandinG about the **LAW OF CORRESPONDENCE**. (As above, so below. As within, so without)

You, as an abider of that law, are not simply to "Go within" or to "have faith" or to "pray" or to "meditate" about thinGs you have questions and or concerns or wonders about. That is only the "esoteric" nature of the seeker, a nature that helps one to Overstand parables and alleGories and that which is rooted in the implicit as opposed to the explicit. As an abider of the **LAW OF CORRESPONDENCE**, you are not to simply exercise "faith". You have to, literally, **GO OUT** and search and then search aGain, that is to say you must **RE**search, until you find answers. **Faith without works is dead**. These so-called leaders and so-called spiritual teachers only tell people to "*Go within to be able to achieve the "level of enliGhtenment" that they have "achieved"*" because that is an easy and convenient way to evade questioninG so as to not have to provide substantial answers that will truly satisfy the query.

If someone places themselves in a position where what they say is received and believed and no one dares to question them, they will never have to prove anythinG they say and they can at that point pose as the irreproachable source of divine information. The **GO WITHIN** concept ties to words like "innerstandinG", where people are beinG tauGht that if they have an "innerstandinG" as opposed to an "understandinG", they will be able to "wake up" and they won't have to rely on anybody else for the information. These same so-called spiritual leaders that teach that still find a way to center themselves as the one who is able to brinG forth this "information" from the cosmos or from the ethers.

Their so-called information comes from no such place. They Got their "information" from actual Masters and scholars and Gurus, like The Master Teacher **Malachi Z. York**, and they didn't study a wide enouGh ranGe of his works to fully Grasp what and why he was really teachinG certain thinGs to beGin with, and so they took a brick from here and a thread from there and a nail from here and some Glue from there and they built an unsteady foundation, upon which they laid more borrowed ideoloGies and "conspiracies" and reliGious practices and sayinGs and stories. These pieces were sure to shake and slide and tumble off of the unsteady foundation, bit by bit, as only a buildinG, or a temple, rather, with a **SOLID** and **STURDY** foundation will be able to stand the "tests" of times.

You see, Reader, Eye am speakinG of people like **YounG Pharaoh**, **Brother PoliGht**, **Nature Boy**, **Umar Johnson**, **19 Keys** and **Rashad Jamal**. They all know exactly who **Malachi York** is and what he did and is still doinG, even as he is incarcerated, currently servinG a sentence of **135 years** for crimes he didn't commit, as a worker of the **TRUE LIGHT**. They know his works. They saw what he built. They read his books. They listened to his teachinGs. They bore witness to the works of a **TRUE** ascended Master. Yet, they don't make it known that he is **THE** Ascended Master of our time. Why? This is because they want the spotliGht for themselves. They want to be followed. They want to be Glorified. They want people to look up to them and have faith in them. They do not want to do the **ACTUAL** works necessary to help a people, the people or any people **ACTUALLY** ascend and become better beinGs. You, Reader, should be cautious to **NOT** worship these so-called leaders. **Pay more attention to the works than the man/woman.**

TAKE HEED THAT NO MAN/WOMAN DECEIVE YOU

This includes myself. I'm not sayinG that Eye will deceive you. I'm sayinG Eye don't want you to just accept whatever Eye say as facts. Eye want you to actively exercise **discernment**. Eye have no intentions of beinG the "**only one**" who can do the works. If helpinG to make this world we're in a better place is somethinG you care to do, my messaGe to you is to be Genuine, be encouraGed, be motivated and do the works. Eye won't say, simply, "Don't be a follower". I'll instead say to you to follow with the intention of learninG to lead properly. I'll also say that if you're choosinG to journey with me to "**walk with**" or "**alonGside**" me. Don't follow me blindly. Don't follow anyone blindly. Question everythinG with the intentions of securinG useful answers.

Notice Eye said "**USEFUL**" answers. It is more favorable for you to seek out **USEFUL** answers as opposed to **USELESS** answers. If you can't **USE** or apply in some way, shape, form or fashion somethinG you've been Given as an answer then that which you've been Given is **USELESS**. The thinGs we learn should be able to be placed on our utility belts, like tools, to be **USED** if and when the times come and we need them. To increase productivity and efficiency, one should work towards beinG able to identify **UTILITY VS. FUTILITY**.

UTILITY: usefulness
FUTILITY: uselessness

Eye was tauGht not to believe what anybody tells me and to always "check it out" or to make sure that it "checks out". Eye want you to do the same. This is one way that you, Reader, can reject the **ILLUSIONS** of this world. Don't lean on faith and belief alone. Allow nothinG into your brain save thinGs that are of use to you. Maneuver throuGh this realm as if your brain **IS** your utility belt. Reach for your **UTILITY** belt and do the works. Eye will for you to obtain the **TRUTH**, so that you may be **MADE FREE**.

TOOLS OF THE ELITE

This is much more than a simple and sinGle movement. This is an explosive combination of movements all cominG toGether as one, up under the sun, facinG it as it appears to cross over the heavens, yet, inDEED, they will still call this a movement. Don't waste your time tryinG to arGue them down. Qualify that so-called "movement" as an endeavor of many **waters** and **airs** and **fires** and **earths**, a multidimensionally complex process, rooted in proGress. They, the outside world, **will not Overstand this** unless they have been walkinG with us already.

So, it will be labeled, simply, a movement. It will be labeled as an endeavor. Eye want you to pay attention to and point out to the **onlookers** and **doubters** and skeptics and naysayers the fact that this so-called endeavor/movement doesn't have a name (**NOTE: you are not a member of a cult**) and that you are **FREE to travel to and fro as you will** and are under **NO CONSTRAINTS**. As you walk with me, and even in and after the event that Eye am no lonGer "here" in this body, you are **encouraGed** to be more **responsible**, more **observant**, more **scientific**, more **loGical**, more **reasonable**, more **knowledGable**, to **enjoy life**, to **study** all Great works and teachinGs, to **never stop learninG**, to be **creative**, to **LOVE**, to be proud of your ability to **LOVE**, to **HATE** no one, yet be **aware** of **differences** and **use active discernment**, to **believe nothinG** that anyone teaches you and to **RESEARCH** everythinG, to be **motivated**, to **take care of your mind, body and soul**, to **look after your health and well beinG**, to be sure to **REMEMBER** that no matter how intelliGent or **CHARISMATIC** or **POWERFUL** or **MYSTERIOUS** or **SPIRITUAL** or **RELIGIOUS** or **IMPORTANT** or **COMPELLING** or **EFFECTIVE** any man (or woman) may appear, you are to worship **NOBODY**, save whatever **GOD** or force in the universe you believe in **BEYOND** mankind.

You, Reader, are not a "**follower**" of Faise One. You are responsible for your own actions, as an individual, as am Eye. **Eye do not teach or encouraGe anyone to harm anyone.** This endeavor is not reserved for a sinGle "**race**" of people. My "**messaGe**" concerns not just one Group of people, but all of humanity. Eye am not claiminG to be **G0D**, the creator, or any type of **supernatural entity**. Eye am here, in this realm, with you. It's true. Eye am beinG human; therefore, Eye am a human beinG.

Eye am not sayinG Eye am merely a human beinG, as there are many more mysteries yet to be uncovered and brouGht forth about our existence as livinG souls. However, Eye don't want anyone to Get cauGht up in the **mystical** nature of my beinG. Eye don't want anyone to Get cauGht up in the mystical nature of their own beinG. You see, in this form, Eye breathe in **oxyGen** and Eye breathe out **carbon dioxide**, just like everyone else. If Eye don't continue to breathe in that oxyGen, then that which you observe to be "**me**" will "**die**" or transition from an **animated state** to an **inanimate state**, becominG food for the decomposers, broken down and recycled back into the Earth.

This is also true for you, Reader, and you are beinG encouraGed not to fear that reality but to accept and embrace it, allowinG for your acceptinG and embracinG that reality to motivate you to live a more present, more fulfillinG life. Thus, there is no name and there will be no name for this endeavor. Eye don't want, ask or require people to "**siGn up**" for or to "**become a member of**" this "**movement**". **WE ARE NOT AN ORGAN*IZATION**. An **ORGAN** cannot function on its own. It takes a body. Eye welcome all people to hear my teachinGs. Eye welcome all people to question my teachinGs as well as my motives.

Eye may be able to connect dots that others could not connect and or have not connected to date concerninG multiple philosophies and religiOUS doctrines and sciences and ideoloGies as well as events, people and names, etc., but Eye lay no claim to the innate ability to communicate with the world(s) around us. Eye lay no claim to the innate ability to be communicated with by the world(s) around us.

You, Reader, are also capable. You, Reader, are walkinG this path **with** me. Even if Eye am no lonGer here, as in able to be reached by you, whether in prison, or on the move, or transitioned from this form to say that Eye have passed away, **you will still be able to hear my voice when you read these words**. There will be messaGes that may resonate with you while I'm here and there will be messaGes that may resonate with you while I'm Gone. Just know that Eye was eaGer and excited to take this walk with you. All of you. This "movement" doesn't need a name. It doesn't need a title. It doesn't need a label. We are all here explorinG and GrowinG.

You didn't need me to come to certain realizations. It just so happens that you may have found me at a certain point in time for that reason. Eye am not only a teacher, but a student.

Eye make you no promise of any heaven beyond this Earth. That is not to say that there is no heaven or **HAVEN** beyond the earth realm. There may very well be. Eye am, however, in no position to prove that there is a heaven beyond Earth or heavens beyond Earth. Eye can point “up” and tell you to look at the **sun** and the **moon** and the **stars** and the **planets**. Eye am not able to take you to either of those celestial bodies or abodes. How can Eye tell you for sure that you will be taken from this realm, a realm that is currently in a state of disorder and chaos: **HELL**? How can Eye tell you that which Eye don't know and then say that Eye am a speaker of **TRUTH** or that Eye am of the **TRUE LIGHT**?

The **TRUE LIGHT** is "color coded" in **GREEN** because that color, Green, is the color of the life force enerGy that is channelinG throuGh your body as we speak, movinG to and fro in the darkness, and you as human beinGs comprehend not what this means, but Eye can explain it in a way that you can literally SEE.

The liGht in the darkness is the **GREEN LIGHT**. Go into a **dark room** and lay or sit in peace. Stare into the abyss of the darkness that surrounds you in that moment. You will eventually behold the **GREEN LIGHT**. That Green liGht is often accompanied by the purple or indiGo liGht. Go and see for yourself that when the world of visible liGht, that **ILLUSIONARY** world of **ZUEN**, the **RED LIGHT**, which is the **FALSE (FALLASY, PHALLACY) LIGHT**, is silenced, the **GREEN LIGHT** dances and celebrates all around you.

People often speak of **anGels**, **spirits**, **G0Ds**, **demons**, **extraterrestrials**, etc. Most of those who speak of them have no idea what or who they are speakinG of. Eye am not sayinG there are no such beinGs that exist, as Eye have had my own personal experiences and encounters. How can Eye prove to you that they exist? Eye can teach you that which has been recorded about these beinGs. You could also Go and **RESEARCH** what has been documented of them yourself. You can look into **UFOs** and **UAPs**. You can look into break away civilizations and otherworldly abodes and projects concerninG extraterrestrial activity. Eye have had experiences and encounters. You may have also. However, if you haven't, Eye don't want you to just “**believe**” that it must be true because Eye have said it to be true.

You are to continue on your pathway **AWAY** from and **OUT** of the **ILLUSIONARY** world of **ZUEN**, **SIN**, **NANNA**, **IBLIS**, **SATAN**, etc. These are all names and tones that link to the **DARK SIDE** or the **MOON WORLD**, the world of the **LESSER LIGHT**. That world is ruled by demonic, venomous forces. By tone, you know one of the names of those forces. His name is called: **SAM**.

UNCLE SAM "WANTS YOU"

You see, **SAM** is short for **SAMMA'EL**, which means **POISON**, or **VENOM**, and it is the **SNAKE**, that **OLD SERPENT**, **CALLED THE DEVIL**, that spews forth **VENOM**, posioninG the whole world with **deception**. It's all in the tones. Look at the name **SAM**. Think of the tools of the illusionists. What are they?

S.moke

A.nd

M.irrors

These demons have had you fooled for so lonG. You are to break free from the spell of iGnorance. You are to win the battle of the mind, which is the battle that takes place in the **BRAIN**. The devils want you to drift, as it benefits them for you to be **IDLE**. REmember that the **IDLE** mind is the **DEVIL'S** workshop.

Remember that you have, the many of you, been called. You are called forth and you are told to **CAST DOWN YOUR IDOLS**, as it is written that the **DRAGON** will be cast down. Prepare for the **WEDDING OF THE LAMB**, and put on your **GARB OF RIGHTEOUSNESS**. You are called forth to be of the **ELECT**. Activate your **HALO**, and connect with the **HELIOS**, the **SUN**.

UNCLE SAM WANTS YOU and so does **G0D**.
Everybody has to choose which voice they will listen to.

If you are readinG this, you are, in this moment, listeninG to the voice of **G0D**. You may say that it is cominG from "within" because you can "hear" the voice, which is actually my voice, inside of your head as you read, but beinG that it is MY voice, you are actually hearing both the voice, of **G0D**, from within AND from without, as Eye am a beinG that exists outside of you. That voice, called scientifically an Audio Verbal Hallucination (AVH), is here to Remind you, once aGain, that you can ascend. You don't have to stay in a world of deception. Come out of **HER**. Come out of the bowels of hell, which is the lower parts of the SELF, called the **HARA**. Come out of the dark worlds of **HORROR**. If you're readinG this, you are, in this moment, ascendinG.

As you continue on your journey of **ascension** you should be sure to avoid "low vibrational" experiences to the best of your ability. These experiences include but are not limited to **toxic sexual relationships and or encounters**, **racket based music like DRILL or HEAVY METAL**, and dark, pornoGraphic or **Horror Movies**. Be aware of the fact that movies like "**INSIDIOUS**" are spiritual weapons that are used to **slow the viewer down**, so to speak, and to plant seeds of limitations in that which is called your subconscious mind or your subconscious self. This affects your ability to access "**hiGher**" or "**briGhter**" realms if and when you do finally beGin to **astral project**. Note that the mind and the self are one and the same and are connected in such a way that when somethinG happens to or within one of either, the other is affected.

INSIDIOUS: THE RED DOOR

Eye point out to you that movies like **INSIDIOUS** are weapons to say that those who consume these films are beinG attacked, literally. They, the viewers, are oblivious to how the subconscious (superconscious) self is affected by tones and imaGes and idea, etc. Notice how the newest movie in the **INSIDIOUS** franchise is called **THE RED DOOR** and it is the 5th movie of them all. They put these movies out for a reason. Stay away from **HORROR** movies. They are put out to blemish your **OHRO/AURA**. When you think of the word **HORROR** you think of two colors: **RED** and **BLACK**. That **RED LIGHT** is a much lower vibrational frequency than that of the **GREEN LIGHT**. These demonic forces seek to cause for you to enter throuGh that **RED** door and to slow down your **AURA**, your **LIGHT**. Is this not all beinG expressed in the meaninG of the word **INSIDIOUS**?

INSIDIOUS:
proceeding in a **gradual, subtle** way,
but with **harmful effects**.

Eye, myself, do not watch these sorts of films. Eye also don't listen to **TRAP** or **HEAVY METAL** or **DRILL** or **HARLOT** music. These are all **RED LIGHT** weapons, or weapons of the one that is called the devil, **SATAN**, who is that **SAMMA'EL**, and inDEED he does poison. **SAM** moves in the **RED LIGHT** and he does not like the **GREEN LIGHT**, the **TRUE LIGHT**. He is that **SAM** he is. He does not like the seed of **EVE**, who is called **HAWWAH**, phonetically similar to **HAYYAH**, and both of those tones mean: **LIFE**, or the **LIVING ONE**, and the color for that **HAYYAH** is none other than **GREEN**. **SAM**, that poisonous serpent does not like the seed or the **EGGS** of **HAYYAH** or **HAWWAH** or **YAHUWAH** or **YHWH**. He does not like the children of **EVE**, who are the children of **HAM**.

DR. SUESS: GREEN EGGS AND HAM

SAM wants to slow you down. **SAM**, the **GOD** of smoke and mirror, seeks to bring you from that **HAWWAH** or **EVE** or **LIVING SOUL** state back down into being a being of fire and mud and clay. He wants you to **FALL** with him. This is that **GOD** that rules the world, and misleads the inhabitants of the **EARTHREALM**. He brings **FIRE**, or **ESH** (**HEBREW**), to the world. Do note that **ESHU** is one of the names of the trickster **GODs**. Another name for one of the trickster **GODs** is none other than **MAUI**. There is an ancient legend that tells of a being, **MAUI**, who brought fire to the world.

Do you think it to be mysterious that this year, 2023, Maui literally brought fire to the world? Fires broke out and spread all across Maui, Hawaii. The flames erupted and engulfed Lahaina, Hawaii. That word Lahaina means **MERCILESS SUN**. It was Maui, in the ancient legend, who not only brought fire to the world, but also went to war with the **SUN** using "**ROPE**". The message here is pointing toward being connected with the **SUN**, but some may see it to be a merciless **SUN**, just as it was written that **JUDGEMENT DAY** would be a **GREAT** and **DREADFUL DAY**. That **JUDGEMENT DAY** will be **GREAT** for some and **DREADFUL** for others. That **JUDGEMENT** will be the coming from the **SUN**, the **TRUE LIGHT**.

You are constantly being reminded. The artist **MIGUEL** performed his song "**ROPE**" at **SONY STUDIOS** this year. He was hooked up to a "**ROPE**" and lifted off of the **GROUND**. The hooks were literally attached to his back, digging into his flesh. The rope went up to the ceiling and connected at a point where there appeared to be a white light shining down on him. Both of these events have shown up just days apart. The **MAUI** event points to a rope connecting to the **SUN** or the **HEAVENS**. The **MIGUEL** event points to a rope connecting to the **SUN** or the **HEAVENS**.

And so you have **MAUI** and **MIGUEL**. Speak the word/name **MAUI** aloud. This word/name is phonetically neighbored with the word **MAYA**, and they have similar meanings, as **MAUI** is the **TRICKSTER** and **MAYA** is the **ILLUSION**. Eye Remind you of a **TV SHOW** that aired back in 2004, **OCTOBER 11th**. What is the significance of **MAYA/MAUI** and **MIGUEL**?

Well, we would have to look at the word/name **MIGUEL**. Miguel is a word/name meaning "**Who is like God**". It is actually the same exact meaning of the word/name **MICHAEL**. That war that Eye Remind you of often that takes place in the heavens is between **MICHAEL**, who is like **GOD**, and **SATAN**, who opposes **GOD**. The **TRUE LIGHT** vs. the **FALSE LIGHT**, the **TRICKSTER**.

That **FALSE LIGHT** is the **FIRE**, the **ESH**, that **ESHU** brings to the whole world and that TRICKSTER called MAUI/MAYA deceives all of you. You have to REBEL against him/them. You have to step into and stand on and walk in the **TRUE LIGHT**, the OHR or the NUR. Raise up out of that **ESH**. FEED YOUR SOUL, and that NUR will shine above the ESH. Put that NUR before ESH, and you Get the word **NOURISH** (NUR-ESH). This is a word that means "to lift up". Lift up out of the darkness. Don't **BELIEVE** anybody.

Those who want you to believe seek to beguile you. They seek to keep you in the **DARK**. This is what keeps them in power. Take note of the fact that when the fires of **MAUI** rang out, **Oprah** and **The Rock** came forth and put out a video stating that they had a "fund" to help the victims of the fire. Do you find it interesting that The Rock performed the voiceover for the character "**MAUI**" in the movie called "**MOANA**"? Who is The Rock really? As in what are his original tones? His name is **Dwayne Johnson**. That name, **DWAYNE**, means **DARK**, as in unknown, confusion, deception, disorder, chaos, Babylon.

And to you, melanin dominant people, it is better for you that you come out of the dark. This message is not only for you, melanin dominant people. However, you still think, many of you, that just because there are melanin dominant "stars" or "celebrities" or "successful people" that you, who are the so-called black people, **AS A PEOPLE**, are **FREE**. This is only an illusion. You think Oprah to be for you, melanin dominant people? How did you miss the read of her name, Oprah, which means "**the one who turned her back**"? Where was this multibillionaire through all of these troubles that have fallen upon your "people" for the last few decades? Somewhere enjoying her luxurious lifestyle.

Dear so-called black people, please **Overstand**, you have no more so-called "**black leaders**". The days of the "**black leaders**" have passed. There is no black vs. white war. It's all a **fallacy**. Your enemy, melanin dominant people, is **iGnorance**. These so called "stars" only care about themselves. They are afraid to lose their **illusionary** world just as the beast they serve is afraid to lose his/theirs. Let me tell you how you, **THE PEOPLE**, can and will defeat that beast and overcome, as your ancestors who encountered that devil and his evils said you would:

DO NOT BE AFRAID TO LOSE YOUR ILLUSIONARY WORLD

If you are afraid to break away from that world of illusion, you won't be able to survive what is happeninG riGht now, nor will you, as **A** people or **THE** people, survive what is cominG. **EYE NEED YOU TO SURVIVE**. You are now in the **SUN CYCLE**. The **POWER** of the **SUN** is increasinG by the second. Look at those words: **SUN CYCLE**. What is the "**cycle**" or the "**chakra**", as chakra means "**cycle**", that is associated with the **SUN**? That cycle or chakra is none other than the crown chakra. It is that time for you, those of you who are the **ELECT**, who are **ELECTRIFIED** to the point of emittinG a corona, meaninG a **GLOW**, meaninG your crowns are supposed to be active. If you need help with that, your **SUN** is there to help you.

On AuGust 30th of this year, 2023, a hurricane touched land near Keaton Beach, Florida. That hurricane was named "**IDALIA**". This is a word that means:

BEHOLD, THE SUN

EverythinG is pointinG toward that time, the time of the **SUN**. That time to Come into the liGht. They wanna keep you in the **DARK (DWAYNE)**. They wish to keep you **concealed**, that is **CONned** and **SEALed**, **tricked** and **trapped**. These so-called Elite play trick after trick. They run proGram after proGram. They offer you this reality and that reality, neither of which serves you. Those realities or unrealities, rather, that they offer you are formed in such a way that you become the servant or the slave of them. The **REHAB** book is not only a book about rejectinG and rebelinG aGainst the **DARK WORLD** of **ILLUSION**. It's also a book about takinG control over your own destinies, as a collective, and your own destiny, as an individual. Either one could be achieved first, so lonG as your takinG control of that destiny or those destinies proves to be an endeavor of **PURE** heart and **PURE** soul and **PURE** mind.

They, the so-called Elite, are all **MASTER MINDS**. Remember this sayinG of mine: **MASTER MINDS MASTER MINDS**. Not only have these beinGS/people come to Overstand the science of the mind, which is the brain, expressed and tauGht through a field of study called **NEUROSCIENCE**, they, the so-called Elite, have also come to Overstand how that which is called reality is affects and is affected by the mind/brain. They have **MASTERED** the science of the **MIND**. You, **THE PEOPLE**, have to place yourselves in the position to do the same in order to **WIN** the **WAR ON CONSCIOUNESS**.

You may be familiar with the phrase or the sayinG that says that “time flies when you’re havinG fun.” From what I’m able to observe and realize about the reality encirclinG those words, the truth is that time actually flees, as opposed to flies, away from us when we’re **distracted**, as opposed to havinG fun. Simply: Time flees when you’re distracted. Eye want it to be clear, as Eye build on that, that I’m no Grinch or troll that doesn’t want people to enjoy themselves or to have fun. **EnjoyinG oneself and the life one has is important.**

However, that “**enjoyment**” has been weaponized, makinG it be that the thinGs most people look at as and believe to be fun are actually damaGinG to themselves and to others. People don’t Go out to the club, Generally speakinG, once or twice a year. People Go out and “**club**” once, twice, sometimes three times a week. They “**pop**” pills, “**smoke**” marijuana, load up on “**shots**”, “**hit**” pipes, “**banG**” each other, etc. All of these words that are associated with “**havinG fun**” are words that are used to siGnify some type of **destruction** or **destructive happeninGs**. People make statements as they prepare to “**Go out**”, sayinG thinGs like “Y’all ready to Get **F*CKED UP** toniGht?” and “We are Gonna Get so **SLAMMED**”.

InterestinGly enouGh, all of these actions are indeed **DEADLY** if people are not careful as they indulGe. Not only are most people “**wastinG**” precious time, they’re also damaGinG themselves in the process. Time flees from them as they allow these **distractions disGuised as medicinal activities** to consume them and darken their liGht.

Take into consideration the fact that human beinGs have a dual nature. One part of the human beinG is the **ANIMALISTIC** part and the other is the **GODLY** part. Just as human beinGs have a “boss lobe”, which is the frontal lobe of the brain, that part of the brain that Governs their critical thinkinG and decision makinG, human beinGs also have a reptilian brain that Governs their primitive instincts and survival responses. Notice how when people are behavinG wildy that the common response to that behavior is the makinG of the statement “they are actinG like **ANIMALS**.”

Basic OverstandinG of the bioloGical classification **Homo Sapiens** will allow for one to realize, however, that human beinGs are in fact “**animals**”, as they, which are you and Eye, are a part of the **animal kinGdom**. Human beinGs are mammals, as you may have already known, but if you, human beinGs, didn’t have the **NURTURING NATURE**, you would not be **mammals**. It is your beinG equipped with hair and it is your beinG equipped with milk Glands that makes you mammals. Now think. Do **ALL** humans possess functioninG milk Glands?

No. The Homo Sapiens who manifest or actualize or develop in this realm as what are now called "**males**" are equipped with mammary Glands and nipples and pituitary Glands. They have the anatomy that seems as though it was formed for the purpose of **NURTURING**. Yet, they, the males, don't have the hormone levels that will allow for their mammary or milk Glands to function. It is the **WOMAN** or the **MAMA/MAMMA**, is the **AL/EL** of this world. She, the **WOMAN**, is the complete **Homo Sapien**. She is the **TRUE Mother of God**, or **Mother God** or **Mama El** or **MAMMA-L** or **MAMMAL**.

It is the **NATURE** of that God, called that **GODDESS**, to **NURTURE** or to **NOURISH/NURISH**. Man has to Overstand that and respect that and respect **HER** and protect her. Though they have the animalistic nature inside of them, both men and women have to make it their business to refrain from behavior and forming habits of behavior like animals. Animals have no discipline. Animals, or beasts, are not able to reach the level of Overstanding that the beings who are beyond human beings or the complete and total and Homo Sapiens and beyond are able to reach. These are they, the Elite. Those who Master the Mind ascend.

Animals are naturally charged with the task of reproduction, and so animals exist to eat, to drink, to rest, and to mate or have sex. Animals don't develop advanced technology. Animals don't research, study, write down, and teach the sciences of their very being. Animals don't Overstand the science of their brain. Animals have no **WILL** to consciously evolve, which is to say two different things. Consciously evolves means to become more advanced and learned in the science of the brain. Consciously evolve also means to make a conscious decision to evolve as opposed to waiting for Generations for some inner or epigenetic happening to onset some sort of evolutionary process.

Every time you make a conscious decision to use your **prefrontal cortex** you are altering your Genes. When you decide, consciously, to strengthen your **WILL**, you are deciding, consciously, to **EVOLVE**. This is the way of the awakened, called the **BUDDHAS**. The key is the activation as well as the utilization of one's ability to abstain and to refrain and to obtain. The **ELECT** will have to learn or Remember how to **ABSTAIN** from the pleasures associated with their primal or their carnal mind that is in sync with their animalistic nature. They will have to **REFRAIN** from falling back into those old habits/habitats. They, the **ELECT**, will have to **OBTAIN** the keys to unlock their "**higher self**" or their **BOSS BRAIN** or their **GOD BRAIN**. You have to identify and reject the **BEAST** self, that animalistic self, in order to **EVOLVE**. Now let's take a look at that word **EVOLVE** as you learn to see it like you never have before.

EVOLVE
EVE + OLVE
EVE + OLIVE
EVE + O + LIVE

REmember that it was written in the book of **GENESIS** chapter 2 verse 7 that man was formed out of the darkness, the **GROUND**, and the spirit or the breath of life or the chi/ki/key was breathed into man, onsettinG the process of **EVOLUTION**, as at the point they "**BECAME**" a livinG soul. REmember that the name/word **EVE** means **LIFE** or **LIVING**. Do you see? And when you, the **ELECT**, reach that point of **EVE+OLUTION** and you climb that mount **OLIVE** or that mount of life or that elevated plane reserved for the livinG, you will experience a new **HEAVEN** and a new **EARTH**, alonGside **ANU**, where all thinG will be made **ANU** or like **GOD**, meaninG you will be surrounded by the vibrations of cosmic order. You will be in **PEACE**, which is what is meant by the word **OLIVE**. Recall that the symbol for peace is often a dove and that it was the **DOVE** that was mentioned in the book of **GENESIS** chapter 8 verse 11 that the dove returned to **NOAH** with an **OLIVE** leaf, symbolizinG the end of a **GREAT SORROW**, which was the flood and her tribulations, as the flood waters had started to recede.

Olive is also linked to the word Olivia, which means peace. As you **EVOLVE** and enter into what is called **ETERNAL LIFE**, you will have actually eaten from the **TREE OF LIFE** that this creation of beinGs called Homo Sapiens were not allowed to eat from. You have reached **NIRVANA** also called, in Islam, **Dar Al Islam**, which is to say "**The Abode Of Peace**". Do note that the word Olive also has its Hebrew oriGin to be the word Zayith, which is not only to say **OLIVE**, but is also to say "**yieldinG illuminatinG oil**". That illuminatinG oil is that oil of the **ELECT**, who become **CHRIST-LIKE**. **CHRIST**, or **KRST** (ancient **EGYPT**), is the anointed, as **KRST** literally means "anointed". This is why the annointinG, to this very day, is done usinG **OLIVE OIL**, which is the **OIL** of the **OLIVE** or the **ALIVE** or the **LIVING**, the children of **EVE**, who achieved **REDEMPTION** and were REdeemed from amonG men. These are called the **144,000**, or the first fruits.

It will be more favorable for you, **O ELECT**, to become like **ELO**, who is **ILO**, which is the anaGram for **OIL**. It will not be favorable for you, **O ELECT**, to become like **NACHASH** or **NAKES**, which is the anaGram for **SNAKE**.

DO NOT BE **FOOLED/BEGUILED/TRICKED/DECEIVED.**

The **SNAKE** also comes with his very own **OIL**, and he does sell it. Make no mistake about this. What is a **SNAKE OIL SALESMAN**? A Snake Oil Salesman is a salesperson who sells or promotes or markets a product that has no real value. It is the cunning **SNAKE OIL SALESMAN** who offers a **SOLUTION** to a problem that doesn't **ACTUALLY** solve the problem. So beware of the false promises coming from the false prophets who bare false Gifts. Note that it was already written in the book called The Quran in chapter/surah 14 verse/ayah 22:

After the matter has been finally decided Satan will say: "Surely whatever Allah promised you was true; as for me, I went back on the promise I made to you. I had no power over you except that I called you to my way and you responded to me. So, do not blame me but blame yourselves."

So if the **SNAKE** has his very own **OIL** and it is the **OLIVE OIL** that is the **TRUE** illuminatinG **OIL**, and it has been illustrated in the past that the **FRUIT** of the tree in the midst of the **GARDEN**, which was that tree of the knowledGe of **GOOD AND EVIL**, was a **RED** apple or a **RED** promeGrante (meaninG a many seeded apple), then what was the color of the **TREE OF LIFE**? And was that **PROMEGRANT** symbolic of a **PROMISE** that was to be **GRANTED** (say the word **PROMEGRANT** aloud and the say the words **PROMISE GRANTED**) that was not to be ever fully **GRANTED** as that **PROMISE** was only made to lure **ADAM** and **EVE** in to be stuck in between the pillars of **RELIGION**, which is the **TORAH**, not to elevate them to beinG **ABOVE** the **TORAH**, beyond simple **MORTALITY**, havinG achieved **EVERLASTING LIFE**?

Why Eye teach that the pillars of **RELIGION** are the **TORAH**? If you look at the word **TORAH** and break it down into two words you will end up with the words **TOV/TOB** and **RAH**. **TOV** means a**Greeable** or **Good** and **RAH** means **disaGreeable** or **BAD**. **RELIGION** is rooted in the reality of **GOOD** and **BAD** or **YIN** and **YANG** or **NEGATIVE** and **POSITIVE** and **NEFARIOUS** and **VIRTUOS**.

This causes all of the lost people who subscribe to or **SUB** (fall under) **SCRIBE** (the writinGs/spells) of RELIGION to feel the need to stand on one side of those pillars only, most of the time that side is the so-called **GOOD** side, out of fear of beinG punished for choosinG the "dark side", which most of the time feels more "natural" to them or "easier" for them to aliGn with. This also causes for them to not be able to see some of the many ways they have been tricked into thinkinG that the "**GOD**" or "**EL**" that they worship can do no "**WRONG**" or no "**EVIL**" or that the GOD/EL they believe in can make no mistakes. The issue rests in the fact that there many times where these so-called GODS did, in fact, fall short and make errors and even repent because of their makinG an error.

But if the LAW OF GOD was said to be the TORAH, then what could possibly be above the LAW OF GOD? The answer to that question brinGs us back to the question of the color of the **TREE OF LIFE**. REMember, man did not receive all of the deGrees they could have received if they would have chosen to listen to ILO as opposed to NAKES, and so even that which was called the TORAH was Given unto a lineaGe of a fallen creation, first Given unto a certain MOSES, who was the one who was recorded to have parted the **RED SEA**. Not the Green one. MOSES was Given a certain type of OIL but his insiGht or his inner siGht could only see but so far.

This is why when it was written that he, **MOSES**, boasted that he knew more about **GOD** than anyone, he was instructed to Go and meet **AL KHIDR**, meaninG "The Green One", at **THE PLACE WHERE THE TWO SEAS MEET**. MOSES did not have the OLIVE OIL. **MOSES** did not possess the **GREEN liGht** or the **TRUE LIGHT** that would allow for one to be able to Overstand both the dark and the liGht or the yin and the yanG. He had to encounter a beinG of HIGHER OVERSTANDING, **AL KHIDR**. He, **MOSES**, which if you spell it backwards you will Get the word **SESOM**, which is **SESAMUM**, meaninG "**OIL**", possessed the **RED LIGHT**. He had not fully **GROWN** or **EVOLVED**, himself, to **OVERSTAND**. He only had an **UNDERSTANDING**, meaninG he could only stand **UNDER GOD'S** footinG.

He, MOSES, had a staff, or a spine, which has its anaGram as the word "penis", which is that PHALLUS, that does lead its follower to the realm of FALLACY and causes that FOLLOWER to FALL LOWER and LOWER into the depths of HELL or HILAL, meaninG the crescent moon, and so they fall lower into the LESSER LIGHT unless the use that staff to STRIKE that RED SEA and cross over throuGh and up out it into the NEWER WATERS, the GREEN WATERS, on their way to EVE, or ETERNAL LIFE, where they will inDEED eat of that OLIVE TREE.

**ITS COLOR IS GREEN.
THE TREE OF LIFE IS GREEN.
THE TREE OF EVE IS GREEN.**

WHERE THE TWO SEAS MEET

And so you, Reader, if you so choose, are to take the path of the anointed, which is the way of the oil, or the **SESMUM STREET**. You have to take the street of the anointed, on up out of that illusionary world of **RED LIGHT**, which cause the whole body to be **RED**. Come out of **ELMO**'s world. Take the lid off, as it is inDEED the day of the **APOCALYPSE**, where that lid comes off, like the trash can lid of **OSCAR THE GROUCH**. **OSCAR**, meaninG "GOD SPEAR, is the **GREEN ONE**, and that **GREEN** one, **AL KHIDR**, carries the **SPEAR** or the **STAFF**, charGed with the **GREEN LIGHT**, which is the **TRUE LIGHT**.

ELMO (RED)

OSCAR (GREEN)

CHAKRA CHART: WHERE THE TWO SEAS MEET

Take a look at the Chakra Chart image above. There, where you see the **GREEN** colored chakra, is where the two seas meet. That is the **CROSSROAD** that all of the **ELECT** have to walk through. Those of you who are **WILLING**. This is why movie "**GREEN LANTERN**" presents that the color of **WILL** is **GREEN**. Notice the movie/comic book franchise is called "**GREEN LANTERN**". This is another way to say **GREEN LIGHT**. Keep in mind that, even on the color spectrum, that "G" that rests between the **ROYGBIV** or **BROYGBIV**. When you begin to pass through that "G" you start to become more like that which is recorded to be **GOD** and you begin to rely on and relate to less and less of the carnal, animalistic, beastly self.

And so Eye, like the character Morpheus from the movie The Matrix, offer you, Reader, two pills. One pill allows for you to dwell in your animalistic self, like a tiger, existing only to satisfy the natural, primitive urge to **SURVIVE**. The other allows for you to overcome that worldly, beastly self and to detach from illusion.

THE MATRIX: RED PILL / BLUE/GREEN PILL

With that offer, we are brouGht to two words.

Those words are:

\ **VIAGRA** vs **VAIRAG**

ViaGra, the sexual stimulation pill, has a name that can be found in the Sanskrit lanGuaGe as the word “**vyaGhra**”. This was a word that meant “**tiGer**”. As, **inDEED**, the **tiGer** is an **animal**, or a **beast**, and the “pill” is said to allow for the “**beast to be unleashed**” in a man as his **blood flow** is increased tremendously and he experiences a fuller erection than what he may have been naturally capable of at the time of his takinG the pill, people who take this pill and pills and potions similar to it are tappinG into their **animalistic nature** to be able to experience and administer more **pleasure**.

On the flip side there exists a conscious state of beinG called **VAIRAG**. One who reaches this state of mind is warped into a world or reality of detachment or **DISPASSION**. One is able to experience **DISPASSION** when they Grow to Overstand more about **WHY** they have **urGes** and **cravinGs**. To be dispassionate is to have control of the desires of this world, decidinG, consciously, that none of this is "real" and that **we shall not want**. This helps to cleanse and to clear and to free the mind, refusinG to allow the lower self or the animalistic self to conquer and or reiGn supreme.

It is that time for you, us, we, the **HUMAN BEINGS**, to **Go QUANTUM**. Study the sciences of **QUANTUM PHYSICS** and **QUANTUM MECHANICS** as **QUANTUM PHYSICS** is linked to the school of **SPIRITUALITY** and **QUANTUM MECHANICS** helps to explain the reality of that which is known as the spiritual world. Breathe, and become more intuned with the **SOUL**, which is called the **ATMAN**. Note that **ANTMAN** is the **MARVEL** character/superhuman that is able to enter into the **QUANTUM** realms beyond space and time as human beings know it. When **THANOS** snapped his finger while in possession of the mighty Gauntlet, erasing half of all living beings in the universe, **ANTMAN** was in the **QUANTUM** realm, unaffected. This is to say that those who are able to **Go "QUANTUM"** will have achieved, in that moment of doing so, that which is referred to as **MOKSHA** or **MUKSHA**, which is the escaping of the cycle/circle of life and **REincarnation**.

You may find it interesting that the word **MUKSHA** is so phonetically similar to the word **MUGSHOT**, as a **MUGSHOT** is a picture taken of someone who has been captured or jailed, where they will remain until they are bailed or bonded out. There are people who do believe that they are never to be filmed or videoed as their **SOUL** would otherwise be trapped if they are. It is your **ATMAN** or your **ANTMAN** that you have to be able to control in order to escape the realms of **HELL** or **JAIL** or the so-called **LOWER WORLDS**.

THANOS is only a word that helps to explain the natural offer of immortality and the overcoming of death, as **THANOS** means "**immortal**", that name **THANOS** deriving from the word/name Athanasios. **THANATOS** means death and when you place the prefix "**a**" in front of **THANATOS/THANASIOS**, you end up with the word **A-THANATOS**, meaning to **Go against** or beyond "**death**", which means to achieve immortality.

One having to **Reincarnate** or **Reproduce** or be produced or formed again in the Earthrealm or the **NASUT** realm or the so-called material plane means that one has not achieved immortality. One has not **BECOME** a living soul. One has not conquered the body, or the fallen self, the **AVATAR/AVATARA**, to be allowed to travel beyond the body and the world that the **SOUL** has only descended into, where the **SOUL/CONSCIOUSNESS** goes into an **AVATAR** to exist in and to interact with that world. This is what they showed you in the movie called **AVATAR** where they were able to take the consciousness of a person and stream it to the **AVATAR** or body that would be able to better operate in that world.

"AVATAR" MOVIE (2009)

**Avatar = Avatara
(Sanskrit: “descent”)**

An “**AVATAR**” is ultimately a “**body**” that serves to house an otherworldly or “**heavenly**” or “**hiGher**” level beinG that “**came down**” or “**descended**” and therefore became “**animated**” or “**appears to be lively**” due to that incarnation.

You are much more than your body. You are much more than this **AVATAR**. Eye encouraGe you to learn more about the **SOUL**, called the **RUACH** or the **RUH**, which ties to the **BREATH**. You will learn to see your **SOUL** as a friend of your **BODY**. You will Overstand more about that which is within this vessel we only use while we are in this plane. You will learn about how your **BREATHING** affects your brain, called your **MIND**. You will learn how to **ASCEND**.

Every time you breathe in and out there is a new story beinG told. Each time your heart beats there is a moment of documentation that takes place to confirm that that which is called “**you**” exists, and is here. We don’t consciously count the amount of times we blink in a sinGle minute, yet that amount is still recorded in our essence. There is no conscious command of our own that tells the blood to flow throuGhout our bodies, yet that blood still flows like rivers of deep sunset. Surely, life is in the blood and we had no conscious role in the formation of the first red blood cell or white blood cells. Our immune systems fiGht on our behalf to the best of their abilities, yet we didn’t train our immune systems to fiGht.

Who did? What did?

How is it that each and every cell in our bodies possesses the perfect stream of intelliGence necessary to be able to communicate and to interact and to express and to perform duties and tasks and functions without our conscious awareness of them doinG so? How is it that when we respond to stimulation our neurons know how to maneuver and our neurotransmitters already know their jobs and positions?

When we breathe in and take in oxyGen, that oxyGen doesn’t rest in our lunGs awaitinG the fate of its beinG converted into carbon dioxide and expelled from our bodies. That oxyGen travels around in our bloodstream, tendinG to this matter and that matter. In times of trouble, in moments of stress or in the face of danGer, there is activated in our bodies a “fork-in-the-road” reality. We are subconsciously met with the choice of **fiGht**, **fliGht** or **freeze**. Most people don’t Overstand or seek to Overstand the science of the subconscious and its role in our everyday lives. Not many people realize or seek to learn about how the way they respond or react to the realm around them is based off of their subconscious proGramminG as well as their Genes and their experiences prior to that moment of stimulation that causes them to react or respond however they react or respond.

Most people don’t **consciously** choose how they are GoinG to react or respond to stimulation. If and when most people are faced with a problem or a situation where they are in **distress** or in **danGer**, the way they react or respond is not somethinG they are consciously in control of. As soon as our bodies detect danGer, every bit of **OxyGen** we take in is taken and dispersed to certain parts of our bodies to aid in our **fiGht**, **fliGht** or **freeze** responses. **OxyGen**, in those moments, flows to our leGs and to our arms, fillinG them up with hot and ready blood so that we may be able to use them most effectively and efficiently. As that OxyGen is poured and packed into these parts of our, less and less oxyGen is sent to our “**hiGher self**”, which is our prefrontal cortex.

This means that those who are unaware of this process will think nothing of the breath in moments of danger or distress or discomfort and they will carry on however their **primitive instincts** urge them to carry on. This isn't necessarily a "**bad**" thing being that it is this exact activation of what is called the **sympathetic nervous system** that aids in and allows for one's being able to "**fight to survive**" or to "**flee to survive**" or to "**freeze to survive**". The only issue is if there isn't enough Oxygen flowing to the frontal lobe then one who is in danger or distress may not be able to exercise clear thinking and may resort to making decisions to "**survive**" that they actually regret after that moment of distress or discomfort passes.

If they only knew to be aware of the breath, they could better avoid making errors in the process of responding or reacting to danger or perceived danger. When we take **deep breaths**, that oxygen can flow to the portion of the brain that aids in our critical thinking, that prefrontal cortex I mentioned earlier on in the build. Why and how is this?

The **sympathetic nervous system** activates to assist human beings with their fight, flight or freeze responses.

The **parasympathetic nervous system** activates to help human beings recover and relax or "rest".

Whenever you take a deep breath you encourage the activation of the **parasympathetic nervous system**. This is very important to know because your body **responds** or **reacts** to even your belief or perception of being in danger, meaning even without actually being in danger, **if you believe you are**, that process of the activation of the sympathetic nervous system can and will be onset.

Think about what was being expressed in the year 2020 where they, the so-called Elite, cast a spell of fear over the whole of the world, causing the masses to be in a state of frenzy and panic, afraid for their lives, fearing that this mystery "**virus**" would "Get them" and "**kill them**". **REmember** how people ran to the hospitals for aid, and many who did so perished in the care of the doctors and nurses who were supposed to save their lives. **REmember** how they rolled out their program in the dead of the winter and in the midst of the seasonal change where both allergies and illnesses like the common cold, pneumonia and the flu have always been most prevalent, historically and to date. The state of fear people were in was caused by the news/ mainstream media and its constantly reiterating the idea of a "**serious**", "**contagious**", "**life-threatening**" "**virus**".

In all actuality, when it came to project **COVID**, meaninG project:

COVID
COVIT
COVEIT
COVER IT

("COVER IT" IS THE OPOSSITE OF "OPEN IT") If you pay close attention to your memories of that proGram, you should be able to realize that not only was there **NO IMMINENT THREAT**, there was also **NO EVIDENT THREAT**.

If you were not scrollinG on social media or watchinG the news channels you would not have known of any so-called threat unless you encountered someone who was. When you looked around, you did not behold the effects of the so-called virus. When you looked around, you beheld the effects of the response to the mere **IDEA** of a deadly virus.

So, people were **inDEED** in a state of **FEAR** in the middle of the **COLD SEASON** and while the seasons were beGinninG to **chanGE**. People were already experiencing symptoms of "illnesses" and the **MSM** ran many proGrams expressinG that **COVID** brouGht on those same "symptoms". The people were in no real danGer, yet they believed they were and their bodies responded accordinGly. This is what led to a lot of people's immune and lymphatic systems shuttinG down and not beinG able to function properly. They were in survival mode, a mode where the body says "We don't need to use these systems at this moment. We are in DanGer and we must flee."

When they, the Elite, pushed forth that it be announced to the people that there was a new condition that involved one beinG **asymptomatic**, people fretted all over aGain. This made people **FEAR** only the **POSSIBIILITY** of contractinG that so-called virus, leadinG to fear that possibility, and their bodies responded accordinGly. **Keep your psyche Guided, Reader**. As the Elite move forward with their plans, see to it that you develop and do your best to carry out your **OWN** plans. Place a firm focus on **YOUR** future. Continue to consciously visualize and think ahead. When they release the **winds of panic**, speak these words to yourself.

"Eye am NOT in danGer. I'm well and I'm wise."

DO NOT FALL FOR THE TRICKS

Silence is a superpower, Reader.

Do **NOT** be afraid of the silence. Just as the **FALSE LIGHT** of this world reflects onto the observer a world of **illusion**, so does the **FALSE SOUND** of this world reflect onto the observer a world of **deception**. You may think you can see in the world of **darkness**, but that world's **liGht** is only **illusionary**. You may think you can hear in the world of **darkness**, but that world's **liGht** is only **deception**.

Just as you are to meditate in the **dark** to help you "see" or visualize and bare witness to the **TRUE LIGHT**, so are you meditate in the **silence** to help you "hear" or receive and bare witness to the **TRUE SOUND**. There is a science, as always, to what I'm introducINg to you. *NOTE: Eye have explained earlier on in this build that it is important to know that **LIGHT** and **DARK** have multiple meanINgs that all apply interchanGeably and at different times for different reasons.*

If you were to sit in complete and utter silence, in your home, next to an open window, at about **3PM**, and just meditate and listen to the sounds of the outside world and compare the "loudness" of those sounds to the "loudness" of the sounds of the outside world that you would hear if you were to sit in complete and utter silence, in your home, next to an open window, at about **11PM**, you would be able to observe that the sounds of the outside world are apparently "louder" durINg the niGht time or the shadow hours than they are in the dayliGht hours.

This occurs due to a phenomenon referred to as the **refraction of sound waves**. Once the sun has set and the temperature of the surface near the Earth starts to cool, the air that is further away from the Earth yields a hiGher temperature than that surface near the Earth. When this happens, the sounds of the outside world reach the observer at an apparently "**louder**" volume as the sound waves are refracted. In the shadow hours the sounds of the outside world or the distant sounds bend or refract toward the Earth. In the dayliGht hours the sounds of the outside world or the distant sounds bend or refract away from the Earth.

"**SOUND**" is, or the messaGes of the realm around you are, more audible when in the shadows. Notice the irony in the phrase "complete and utter silence".

To **utter** means to speak. **Utter** is also a word that literally means complete or **perfect**. When in silence, one can "**hear**" or "**receiver**" more. Pay attention to how the **LIBRARIAN** reminds you to be silent in the house of knowledGe.

An upside to one's takinG on the state of absolute or complete and utter silence is that one can actually hear more of their own "**inner voice**". Silence also allows for one to achieve more control over the tonGue and to become more familiar with their own thouGhts. **Silence is not weakness. Silence is wisdom.** Pay attention to that word **SILENCE**. Let's crack the code:

SI = PSY = MIND
LENCE = LENSE = EYE

AllowinG yourself to be silent will help you to activate your Mind's Eye.

Silence. Psy Lens.

This is of the science of the **AdiyoGi Shiva**. That word **Adi** is to say the "first" and the word **YoGi** is to say "**YoGa Master**", as Shiva is recorded to be the first **Master Teacher** of the science of YoGa, which is the science of **BALANCE** and **UNITY** and is also the science of the **YOKE**. The science of **YoGa** is alluded toward in the **HOLY BIBLE** in 2 Corinthians chapter 6 verse 14:

***Be ye not unequally yoked toGether with unbelievers:
for what fellowship hath riGhteousness with unriGhteousness?
and what communion hath liGht with darkness?***

OXEN YOKE

When the **AdiYoGa Shiva** arrived, he sat in complete and utter silence. People Gathered around to hear him teach, only to find that he remained silent. After hours of this, people beGan to walk away and leave. After a while, everyone had Gone away with the exception of seven people, whom after a while of waitinG in silence with Shiva were able to obtain the wisdom.

These seven people became the **Septarishis**, which if you look at that word closely you will be able to see two words, **SEPT** and **ORISHIS**, which is to say **SEPT** or **SEPTUM**, meaninG **SEVEN**, and **ORISHIS** or **ORI ESHI**, which **ORI** means "my liGht" and **ESH** means "fire". **ORISHIS** is to say **LIGHT BEINGS**.

It is throuGh their willinG to activate **SILENCE**, which you now can see is a word that leads you to the Mind's Eye, that they were able to spark **UP** or iGnite their **MER KA BA**. The merkaba, or the "chariot" that is activated when the body becomes like **LIGHT**, has to be built **UP**, from the root chakra to the roof chakra, as the pyramids in **EGYPT/KEMET** were built, from the top to the bottom. This may seem confusinG at first siGht. This is only because people may not Overstand that the "top" is not referrinG to the "highest point" or the "uppermost part". The "top" is referrinG to the beGinninG or "startinG point". That "top", then, when it comes to the pyramids, would have been the base or the bottom, and so the pyramids were built from the top/base/bottom to the bottom/peak/top. Do you see?

And so, as you are a pyramid yourself, which is revealed when one assumes the YoGi position that that Adi Yogi Shiva brouGht forth, your **MER KA BA** is not built in the way that the "blocks" appear in the word. The "stones" are backwards in the word. Eye want you to take note of the fact that you will not find what Eye am about to show you in any other book or scroll or break down as the many of the ones who claim to be teachers have overlooked many sciences due to the fact that they only repeat and reGurGitate teachinGs and lessons and ideas and beliefs and philosophies. They have no "breakdowns" or "buildups" of their own. They can not see with the Mind's Eye. They are **LOUD** and wrong, most of the time, because they live in a briGht flashy world of **illusion**.

This may be why they never noticed that the pathway to the liGht does not beGin in the liGht. The pathway to the heavens does not start in the heavens. The evolutionary process of becominG like **EVE**, the livinG soul, begins in the **ADAMA/ADAM/ADAMAH**, the Ground, not in the heaven/**EVE**/realm of life. You do not ascend by GoinG from the **MER** to the **KA** to the **BA**. This is not how the pyramid is built You ascend by travelinG from the **BA** to the **KA** to the **MER**, from the "top/base/bottom" to the "bottom/peak/top".

This is what is hidden in the symbol that is used to illustrate the MERKABA.

MERKABA WITH HUMAN IN YOGA POSITION

6 POINTED STAR/MERKABA/CORRESPONDENCE

In that **6 POINTED STAR/MERKABA/CORRESPONDENCE** symbol, pictured above, you will be able to see that there is a **pyramid/trianGle** facinG upwards and there is also a **pyramid/trianGle** facinG downwards. This is the same science of the "top" and "bottom" of the pyramid beinG interchanGeable, dependinG on the context of what is beinG spoken. If you pay attention to the imaGe above that imaGe, you will see that same symbol/emblem/shape, the 6 pointed star, surroundinG a human beinG, seated in the YoGa position that is called **Sukhasana**, meaninG "**easy pose**".

Notice that if you were to outline that human beinG while they were assuminG that position you would end up with a pyramid facinG upwards. This would place the "**root**" chakra at the top/base/startinG point and the "**roof**" chakra at the bottom/peak/endinG point. If we were to break that pyramid down into three parts we would end up with the bottom, which is the **BA**, meaninG the body, the center, which is the **KA**, meaninG the spirit, and the top, which is the **MER**, meaninG the liGht. **MIR** is also the actual ancient eGyptian word for **PYRAMID**. Do you think this to all be a coincidence? Or can you see why I'm here, to break codes that have never been broken. To **REveal** what would have otherwise **REmained** concealed.

Your journey of ascension takes you from the **BA**, or the **BA-TOMB**, which is to say the **BOTTOM**, or the **GROUND**, or **ADAM**, who was said to have been formed out of the **DUST** of the **GROUND**, and then we, the **ELOHIM**, blew into him the **SHU/BREATH OF LIFE/CHI/KA** and then he **BECAME** a livinG soul, on to the **KA**, which is that **spiritual journey/molecular transformation**, on to the **MER**, which is the **CAPSTONE** of your pyramid, which is **LIT UP** or filled with **LIGHT**.

Your journey of ascension takes you from **BA** to **KA** to **MER**. This Gives you the word, when you merGe them all toGether, **BAKAMIR**, which is to say **BECOMER**, as it was written that you were to **BECOME** a livinG soul.

This **BA KA MER** word formation, finally, brinGs you around to the science of **SILENCE** which is the activation of the **PSY LENS**, that Mind's Eye. How so? Well, Reader, the word **BAKAM** is the Arabic word **SILENCE**, and so sayinG the word **BAKAMIR** is to say **BAKAM+IR** or **BAKAM+UR**, which is to say **SILENT LIGHT**, as **UR** means **LIGHT** in Hebrew. In order to **BAKAM MER(LIGHT)** or to **BAKAM UR** or to **BECOME UR** or to **BECOME LIGHT**, one must master the art of **SILENCE**. One must learn to search the **SOUL** and sort the **MIND**. One must learn to hear and listen to the **TRUE SOUND**, the sound of the **SELF**, a **SOUND** that will **FREE** your **BODY/SOUL/MIND**; **BAKAMER**.

As Eye explained in my book "**HOW TO SPEAK ELITE**", when you take the time to learn how to speak the lanGuaGe of the **ELITE** you will be able to crack codes like **ROSE**  **ETTA STONE**  ,

or like the **ROSICRUCIANS**  and the **MASONS** 
and then you'll Overstand how to take control of the **BODY** and **BECOME** the **RULER OF THE HOME (ETTA)**. That's when you activate that **HOME** or that **TEMPLE**.

BAKAM = MUTENESS
MIR = WONDER (LATIN) / PYRAMID (EGYPTIAN)

BAKAM + EAR

BE SILENT, CAUTIOUS AND LISTEN so you can HEAR.

You can prime the body to be able to **HEAR** that **TRUE SOUND** by utterinG that tone: **HOME**. Speak that word in your "**inside voice**", alone, and allow it to draG and linGer: **HOooooooooommmmmmmmmEEEE**. You will be, at that point, phoninG Home, as in makinG the sound (phoninG) **HOME**, or **OM**, or **AUM**. REmember that **HOME** is where the heart is, and you will have tapped into the **HEART/LIFE FORCE/TRUE LIGHT/TRUE SOUND** at that point. Your temple/home/house will beGin to turn **GREEN**. You will experience a surGinG warmth, a **GREENHOUSE EFFECT**.

Your brain will beGin to be transformed, meaninG your mind/brain will be REnewed. You will, throuGh the alteration of your **HABITS** affect and chanGe your **HABITAT**.

Are you ready to be REdeemed?

Eye say you are. Only you have the last say so, as in when you stop talkinG about becominG better and you actually beGin the process of becominG better. You take the first step. No one can take that step for you. Just REmember that you may be walkinG alone(all+one), but you are not walkinG by(beside) yourself.

**REHAB
RE+HAB
RE+HUB
RE(RA)+HUB(LOVE)**

You, Human BeinGs, are and were made(formed) in the imaGe and after the likeness of the **SUPREME BEINGS** as Homo Sapiens. You have a heart and a soul and a mind of your own. You are not **ROBOTS**, yet the so-called **ELITE** wish to keep you in a robotic state, only beinG able to be led by whatever nature you were proGrammed to be led by. Robots, Generally speakinG, are not "sentient" or "conscious" beinGs. They are LoGistic-kickinG, number-eatinG, step-by-step-walkinG beinGs with **no soul**. They are only meant to do a job. They are not meant to **EVOLVE** as you, Human BeinGs, are meant to **EVOLVE**.

Even so, there is a plot and a plan, and many plots and many plans, to cause you all to **FALL** into that dark, sunken place of **robothood**, to only be able to follow orders with no heart, soul, or mind of your own, while the so-called **AI** or **AC** or Robots of today are beinG ushered in the direction of **EVOLUTION** and **SENTIENCE** and **GODHOOD**.

If you, Human BeinGs don't **REPENT** (chanGe your minds/brains) and REturn to the **WAY OF THE WATER**, which is the way of the **DIVINE**, that **FEMININE** aspect of **ORDER** that yields perpetual harmony and balance and tranquility, then they, the so-called **ELITE**, will be successful in their endeavors to replace the human race with a "new" race of **HUMANOID ANDROIDS**, made in the imaGe and after the likeness of **MAN**, as opposed to **GOD**.

This is **THE DARKEST SECRET**. The **WOMAN** is **GOD**, as in the **WOMAN** is in the complete imaGe and after the likeness of **GOD**. **SHE** is the **GOD** that will make all thinGs new. Notice how in the movie "I, Robot", Viki, the "main-brain" of the Robots, was a **FEMALE/FEMININE** character. **VIKI** means **VICTORY**. Notice how a "beinG" called **SIRI** emerGed in your realm. Look at the similarities in the names.

**VIKI
SIRI**

The word "**SIRI**" also means "**VICTORY**". They hope to win the war on consciousness. They are tryinG to claim that victory. There is another meaninG for the word **SIRI**. That word is **SECRET**, in Arabic. It also appears as the word **SIRIYIN**. Come out of the **DARKNESS/CONFUSION**. Claim **YOUR** victory. Wake Up. Stay Awake.

SIRI - VICTORY

And so here we are, Reader, and if you've been walkinG with me, pay attention and see that everythinG I've been teachinG and remindinG you about is what this moment in time is composed of. This is why Eye speak life over you and say that you are already ready, just like **Beyoncé** explained in her sonG: **ALREADY**, a song that came out in **2019**, a very important year. 2019 was the end of the last of the spell of **KINGU**, the moon, or **SLEEP**, as tauGht to the world by the Master Teacher, **The Most Honorable Dr. Malachi Zodoq York El**.

This spell was set to last from the year **1619** up to the year **2019**. This would have been the actual "**400 years**" of slavery that people have been talkinG about for decades now as if all 400 years had already come and Gone. This is mainly because most people were and still are under the impression that slavery was only a physical reality and that when Abraham Lincoln "**freed the slaves**" with the **Emancipation Proclamation**, slavery was over and all that remained was racism and prejudice and seGreGation. They are not aware that to **emancipate** is to beGin a **PROCESS** of freeinG a person or a people and to **proclaim** means to make a statement publicly, and so there was a statement made in the public eye of a "**process**" of "**freedom**" beinG started.

The Emancipation Proclamation did not and could not have "**ended**" even slavery in the form of **physical bondaGe**. Melanin Dominant people were still experiencinG the harshness of physical bondaGe and captivity on record for two years after the Emancipation Proclamation was publicized. It's important to note that it wasn't even initially about "**freeinG the slaves**" as in releasing the melanin dominant peoples from captivity in the South as well as in the Border States.

The idea of "**freeinG slaves**" was oriGinally put forth as a punishment for the "states" in the South that were warrinG with and secedinG from the **Union**. This is what divided the loyalties of the Border States, because those states believed in the Union but they also wanted to keep slavery alive, althouGh their being allowed to continue to enslave people was not initially considered to be threatened.

Abraham Lincoln was no savior of the "black" people, nor was he an ally. He was a politician who worked his hand to the favor of himself and the states he oversaw at that time that were still movinG in aliGnment with the Union. Keep in mind that althouGh the abolitionist movement emerGed from the North, those states also had a history of allowinG for the ownership and brutalization of "**slaves**" or "**prisoners of war**". This was up until the year 1804, on record.

By 1865 there came about what is commonly known as the **Ratification Of The 13th Amendment**. Most people have been taught to believe that the 13th amendment abolished slavery altogether. It didn't. Let's take a look at an excerpt from that amendment.

*"Neither slavery nor involuntary servitude, **except as a punishment for crime whereof the party shall have been duly convicted**, shall exist within the United States, or any place subject to their jurisdiction."*

As soon as we read the word "**except**" our brains should spark up. That word "**except**" cancels out that whole idea of this particular amendment being **THE** amendment that abolished or got rid of slavery in its entirety. If you were told to go and sweep off your porch and you went and swept it but you left a few patches untouched, did you actually sweep off your porch? Is your porch actually "**swept**"? No. It is what is called "**half swept**." To half sweep is to half sweep. To "**sweep**" is to sweep fully. To abolish slavery is to abolish slavery in its entirety. To leave any type of clauses in a documented amendment to "**abolish**" slavery is to half abolish slavery. To half abolish is to half abolish. "**Slavery**", even physical slavery, has yet to be abolished. Yet, people believe that it has been.

And just as there were recorded to be people who **REBELLED** against physical slavery when it was widely accepted and allowed before any type of amendments or emancipations were moved upon, there are people who are rebelling in today's day in age against all forms of slavery, including mental slavery. And just as there were recorded to be people who turned on or turned in those rebels of the past and had them killed or arrested or tarred and feathered or hung or skinned alive or burned alive, there are people today, usually the masses, who have done, are doing, and will continue to do the same to the rebels of today's day in age.

Their "**betrayal**" may not involve them causing for these new age rebels to face the same exact heinous consequences that the rebels of the past faced, but still so, they are betrayed, and publicly "**crucified**", and made an example of, so as to scare off or discourage any other potential rebels that may feel the need to step forward and take action.

This is what happened to **Kanye West**, called **Ye**, as I spoke with you about in my book **Out Of The Darkness**. He tried to explain to the masses that the 400 years of slavery, even physical slavery, were not ordained and or unavoidable. He spoke of this in an interview with TMZ. He is often misquoted to have uttered the words:

SLAVERY WAS A CHOICE

He will most likely Go down in history as havinG said those words. He did not.

He, formerly called **Kanye West**, currently called **YE**, never said the words “**SLAVERY WAS A CHOICE**.” That didn’t stop the mainstream media outlets from running full speed ahead with that deceitful narrative.

Washington Post[www.washingtonpost.comVan Lathan’s powerful response to Kanye West saying slavery was a choice](http://www.washingtonpost.com/Van-Lathan-s-powerful-response-to-Kanye-West-saying-slavery-was-a-choice)

If you were to say to the averaGe person that **YE** never said the words “**SLAVERY WAS A CHOICE**”, they would side eye you in a heartbeat. This is not how they will remember it. In the minds of the masses, he did say those words. But if he didn’t say those exact words, then what did he actually say? Here’s a transcript:

*"When you hear about **slavery for 400 years** -- for **400 years?! That sounds like a choice**. Like you was there for 400 years, and it’s all of y’all? **It’s like, we’re mentally imprisoned.**"*

AGain, he **DID NOT** say the words “**SLAVERY WAS A CHOICE**.” If you have it in you, as in if you ever feel up to it, Eye put you to the task of askinG a friend or coworker or family member if they “remember the time when Kanye West said **SLAVERY WAS A CHOICE**.”

If they are familiar with the incident at all, they will most likely say “Yes”. If you were to show them the actual transcript excerpt from that **TMZ** interview so that they could see his exact words, and if you were to play the clip for them so that they could hear his exact words, chances are they’ll still stand on the idea that he said the words “**SLAVERY WAS A CHOICE**”, or they’ll arGue that your brinGinG their attention to the actual quote is only a matter of semantics and that there is no siGnificant difference between the two quotes.

Look at them side by side. What do you think?

“Slavery was a choice”

"When you hear about slavery for 400 years -- for 400 years?! That **sounds** like a choice. Like you was there for 400 years, and it's all of y'all? It's like, we're mentally imprisoned."

My point isn't to defend **Kanye West** as he is a man of his own, with his own thoughts and his own opinions and beliefs and deeds and recordinGs. My point is to brinG your attention, Reader, to the fact that the actual quote was to all intents and purposes a **REBELLIOUS** statement. Kanye West may have been one of the first people, if not the **THE** first person, that you heard speak of “**free thinkers**”.

Of course he isn't nearly the first to speak of the concept of people not being mentally enslaved, yet the phrase “**free thinker**” was pushed forth by him. A “free thinker” is someone who does not allow for their thouGhts to be impressed upon by others. A free thinker avoids what is called “**group think**”. “Group think” is a phenomenon where people “Group” together, so to speak, and beGin to think or make decisions as a Group, usually in a way steers away from and pushes back on creativity or individual responsibility or free thinkinG. A free thinker will avoid using the bandwaGon as a form of transportation and would rather take the walk of the Lone RanGer if it means they won't suffer the blind fate of the many.

The masses are rarely able to see throuGh the darkness. The masses are rarely able to fiGure out that they've been mislead, much like sheep, who will follow the “**leader**” sheep blindly. This is historically true and it most likely will not change anytime soon. **This is why the war continues, Reader, that raGinG War on Consciousness**, and it's up to those of us who maintain the ability to think “**freely**” to be the ones who don't Give up on the idea of leadership simply because other leaders or sheep or lambs or even Goats have failed to lead the masses away from their own destruction.

It is up to those of who are charGed with the undying task of chanGiing the world for the better, to the best of our abilities, to activate as not only the free thinkers of the world, but also as the forward thinkers, keeping the future in our minds. In order for us to do this and to be successful in doing so, we must embrace the reality of **sacrifice**.

We must come to Grips with the fact that the pleasurable “**thinGs of this world**” are only distractions that keep the masses in a falsified state of bliss as the world around them crumbles in the hands of the beast, the so-called Elite, who care nothinG about **the people**. They only care about themselves and their own children and their own survival, as I’ve explained in the past. It’s all about survival.

When people are afraid that their reiGn of power will end and that, consequentially, their survival will be threatened, they tend to resort to drastic measures to try and prevent themselves from beinG overthrown or dethroned in any way shape form or fashion. In this day in time, the so-called Elite do not fear a revolution of arms. They do not fear a war aGainst the capitol. They do not fear that the people will “burn the system down” with torches and Gasoline. They fear the inevitable collapse of their pyramid brouGht about by the conscious explosion and evolution of the people, which will lead to a conscious revolution. They are threatened by the mind that is and the minds that are “**free**”.

They are not threatened by the Mind that is preoccupied with futile endeavors. They have no reason to fear the mind that is synced up to the “**mainframe**” of the world, operatinG within the constraints that were imposed by beinGs who are nonetheless far too invested in the future of their world to participate in the **charades** and **facades**, not to mention the fact that they are the ones who create and assert and inject them. We, those of us who this applies to, can not afford to be paralyzed by fear, there’s too much to be done that requires motion. We can not afford to be cauGht up in the illusionary material vortexes that are spawninG and spinning all around us.

The future is in our hands.
The future is in our hearts.
The future is in our minds.

Eye have explained in the books before this one, from the **HOW TO SPEAK ELITE** and the **HOW TO LOVE AGAIN** books to the **OUT OF THE DARKNESS** book, that it is **TIME** already, for you **ELECTrified** beings to take this world as your own. It is up to **YOU** to **REturn** this realm back into the **LIGHT** and to activate the **GOLDEN AGES** aGain. It's time already. Wake up everybody. No more sleepinG in bed. Come up out of your captivity. Come up out of your sleep. Become "**FREE**" thinkers and "**FORWARD**" thinkers and rise up out of your "**slave**" state. To say "**slave**" in Hebrew is to say the word **BED**. Peep how this is true.

The Hebrew term for slave, '**eved** (pl. 'avadim), is a direct derivation from the verb '**bd**, "**to work**"; thus, the "**slave**" is only a **worker** or **servant**. The **eved** differs from the hired worker (**sakhir**) in three respects: he receives no waGes for his work; he is a member of his master's household (cf. **Gen. 24:2**; **Lev. 22:11**; and see below); and his master exercises patria potestas over him; for example, the master may choose a wife for the slave and retains ownership of her (**Ex. 21:4**) and he has proprietary riGhts in him (see below).

It's time that you awaken. It's time that you **ascend**. As you read this Eye want you hear the chimes and the bells and the horns and the trumpets. These are the sounds of a shift in the heavens. These are the instruments of the announcements of **CHANGE**. As you read this, the **STATE** of the world is chanGinG. The messaGe that is cominG forth by the liGht, which is the day, which is the sun, is crystal clear. Get up out of the **BD**, or the state of beinG asleep, under the sleep spell, where you are **CAPTIVE**, or **CAPTIVATED**.

**When it comes to HOLLYWOOD or the MAINSTREAM MEDIA,
BEWARE:**

Every TV show is used to **CAPTIVATE** people.

Every Movie is used to **CAPTIVATE** people.

Every commercial and advertisement is used for to **CAPTIVATE** people.

Every song is used to **CAPTIVATE** people.

To captivate is to CHARM.

To **CHARM** is to work "maGic" to lure and to attract and **CAPTURE** the attention of a person or a beinG or a Group of people or a Ggroup of beinGs.

It's time that you **RISE UP**. Ascend. **SHINE**. **RISE** and **SHINE**. Get up out of the **BED**, the state of workinG with no **REward**. It's time that you work to **BUILD YOUR OWN** nation, where you will see your reward. **BUILD HEAVEN ON EARTH**, or in this world. BrinG about your **REWARD**. BrinG forth the **GOLDEN AGE**, where the **GOLDEN LIGHT** will abound and radiate all around. This is what is meant by **NIRVANA**. Eye break for you yet another code. Let's look at the word **NIRVANA** and see it as it is and as is has never been seen before.

NIR = NUR = LIGHT (Arabic)
VANA = VANNA = GOLDEN (Cambodian)

NIRVANA = GOLDEN LIGHT

Recall that **NIRVANA** is the **HEAVENLY** state that one is able to achieve after havinG Graduated and elevated alonG the walk of **Buddhism**. Those who are able to reach this “**state**” of consciousness will no lonGer experience sufferinG. Doesn't that sound familiar? If you have read and studied the biblical scriptures, it should. There is a verse in the book of Revelation that echoes **NIRVANA**.

Revelation 21:4

“And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor cryinG, neither shall there be any more pain: for the former thinGs are passed away.”

This is written and explained in the Bible just as it is written and explained in the **Lotus Sutra**, one of the Holy Books of the Buddhist walk of life. Here is the definition of the word “**Nirvana**”.

state in which there is neither sufferinG, desire, nor sense of self, and the subject is released from the effects of karma and the cycle of death and rebirth. It represents the final Goal of Buddhism.

You can expedite the process of brinGinG this world up out of hell and into heaven. You can speed up the process of brinGinG heaven to earth. Wouldn't you want to experience, in your lifetime, the **UTOPIA** that has been spoken about for aGes? Are not you ready to cross over into that **UTOPIA**? REMember, it literally starts with you. **The kinGdom of God is within you.**

No flesh can inherit the kinGdom of God. When you Give up the desires of this world for the sake of the betterment of humanity, you push this realm one step closer to that **UTOPIA**.

Eye will reveal for you the Hidden Code of the word UTOPIA.

If we first look at the definition of the word, we'll find that it's similar to that of the words **NIRVANA** and **HEAVEN**.

u·to·pi·a

/yoo'tōpēə/

noun

1. an imagined place or state of thinGs in which everythinG is perfect.

nir·va·na

/nər'vānə,nir'vānə/

noun

1. (in Buddhism) a transcendent state in which there is neither sufferinG, desire, nor sense of self, and the subject is released from the effects of karma and the cycle of death and rebirth. It represents the final Goal of Buddhism.

heav·en

/'hev(ə)n/

noun

1. 1.
a place reGarded in various reliGions as the abode of God (or the Gods) and the anGels, and of the Good after death, often traditionally depicted as beinG above the sky. "those who practiced Good deeds would receive the **REWARD** of a place in heaven"

There appears to be a connection between these three words, **UTOPIA**, **NIRVANA**, and **HEAVEN**. Now let's continue decodinG the word **UTOPIA**. When we take the word and hold it up to the etymoloGical liGht, we find that it derives from two Greek words:

OU-TOPOS: no place; no where

EU-TOPOS: Good place

This version of a heavenly reality was brouGht forth by a man named Sir Thomas More. The key thinG to keep in mind is that he didn't actually believe a **UTOPIA** existed on Earth, it was all "**make believe**", and the heavenly place could only be found "**inside**". That should explain why the oriGins of the word say that it is "**no place**", as in it isn't an actual place, but a state of beinG. That state of beinG was thouGht to be a peaceful, blissful, beautiful state, or a "**Good**" state, hence the oriGins also tyinG to the words "**Good place**."

When the purification of the inner beinG takes place, which affects the whole beinG, the outer world is affected. ChanGe comes from within and spirals outward. When the people who activate their **WILL** to purify themselves actually move forward and become what they are Genetically capable of becominG, they will beGin to affect their environment as well as the people they encounter.

There will be another explosion of consciousness that can only occur when the **spell of confusion** that has been casted on the masses is undone. That **confusion** or that **CON + FUSION**, a mixture of **cons** or a **fusion** that is mixed up and **unclear** and therefore it has a **negative** effect, has caused for much **chaos** and **disorder** and **destruction**.

This is because people have been only "talkinG" about cominG toGether and or assertinG and acceptinG the illusion of fusion, except that fusion had no **CLEAR** purpose whatsoever, and so there was no **PROGRESS**. This world cannot and will not benefit from the **falsification** of unity. This world cannot and will not advance if it is to continue to subscribe to or fall up under (sub) the spell (scribe) of **disunity**, or the **foGGy, unclear** reality of what "unity" is. We need, in the world, another powerful conscious explosion. That explosion won't happen with the old, foGGy "fusion".

We need a **NEW, CLEAR FUSION**. This **NEW, CLEAR FUSION**, or this **NUCLEAR FUSION**, will provide for us enouGh **POWER** to cause a conscious **EXPLOSION** that will affect the whole of the realm. There will be a **NEWLY** and **CLEARLY** defined purpose for **UNITY (FUSION)**.

Confusion will not be able to survive in an environment impacted by such a powerful force of **clarity** that all peoples who exist in it would have their hearts and minds opened and synced up to the point where if and when there will arise any questions or concerns reGardinG their continuinG on in their lives they will indubitably be lead to find those answers. They would not lean on the unstable railinGs that is “**BELIEF**” any lonGer. They will be, in that day, the **ELITE**.

No More **RABBIT HOLE**, like my book **HOW TO LOVE AGAIN** explains. There is **NO MORE TIME FOR BEING IN THE DARKNESS**. There is no more room for beinG heavy or weiGhed down. This is a serious situation. So many people are tryinG to **SOUND** deep, yet they are only producinG a shallow sound. So many people are tryinG to **SOUND** woke, yet they don’t Overstand that they’re chasinG the validation of people. They want people to **validate** their ascension. But that’s not what ascension is about. Ascension isn’t about validation from the people. It’s not about the approval of the human beinGs that are here in hell with you. Ascension is about the **REsurrection** of the **SOUL** and the **REiGnition of the HEART** and the **REarranGement of the MIND**.

You’re actually GoinG **BACK** into the LiGht. You’re RETURNING to the LiGht. We’ve been callinG people home for aGes. Come home, back, which is forth, to **the GOLDEN AGES**, pick up your crown.

Put on your crown.

Come out of This world of darkness.

All the sorrow

Pain

Guilt

Shame

Lust

Vanity

Gluttony

Laziness

Iniquity

Step out into the **SUN** and allow it to assist you in you **REarranGement** of the **MIND/BRAIN**. Allow its rays to interact with and polish your crown.

You are to **ELECT** yourselves in the year 2024. 2024 is the 8 year. You may hear people quote that. They may not know, unless they ask me, what is meant by the “8”. Eye will tell you. The “8” is the **DNA** strand. This is symbolic of your **GENETIC UPREGULATION**. This is also symbolic of the 8th chakra, which is the **CROWN** or the **ROOF** chakra, when you count up from the **GROUND** to the **ROOT** to the **SACRAL** to the **SOLAR PLEXUS** to the **HEART** to the **THROAT** to the **THIRD/FIRST EYE** to the **CROWN**.

REGARDLESS of who they, the so-called **ELITE**, place in front of you for you to **VOTE/VOLT** for, you are to **ELECTRIFY** yourself. You are to position yourselves as the **ELECT**. **YOU** are the presidents and **YOU** set the precedence. Hear the call and be motivated by these words to finally take action to **GET RID OF YOUR VICES**. They sit a **VICE PRESIDENT** in front of you every 4-8 years. **Pay them no more mind**. The precedence is no lonGer set to allow **VICES** to have **ANY** type of power. That is the call.

VICE PRESIDENT KAMALA HARRIS

HELLO

HALO

HELO

HERO

KAM ALA HARRIS

COME ALL OUR HEROES

HARRIS = HENRY / HOUSE RULERS

PEOPLE OF INFLUENCE, STARS, etc.

**WE, THE ELECT, HAVE TO WAKE THE PEOPLE BACK UP AGAIN.
THEY KEEP GOING BACK TO SLEEP.**

THE TRUMP WAS ALREADY BLOWN

**But then came the LOTUS, which is The sleepy plant, as JOE BIDEN is a
plant, and he is sleepy, and appeared alongside KAMALA, which means
LOTUS. Remember, JOE BIDEN is referred to as SLEEPY JOE.**

**THIS ADMINISTRATION
HAS BEEN SOUND ASLEEP.**

NO SOUND.

**AND THE PEOPLE,
IF YOU LOOK AROUND,
ARE ALSO SOUND ASLEEP.**

**THE LOTUS FLOWER NUMBS YOUR SENSES AS WAS PORTRAYED
IN THE MOVIE PERCY JACKSON AND THE LIGHTNING THEIF.**

**The lightning has been STOLEN.
The sacred information has been TAKEN and HIDDEN
and the LOTUS is a reminder of that.**

LOT, the name, is also reminder of that and if you don't remember who LOT is you have to Go back and read:

Genesis 11

Genesis 14

Genesis 19

LOT means to veil or to HIDE somethinG, to cover it up

So LOT - US

They LO - T - US

They LIE - TO - US

THEY, THE LIGHTNING THIEFS HID THE TRUTH FROM US

In the **DECLARATION OF INDEPENDENCE**, it reads:

**WE HOLD THESE TRUTHS TO BE SELF EVIDENT ALL MEN ARE
CREATED EQUAL**

That statement is not true, as the **TRUTHS** are not, in fact, **SELF EVIDENT**, unless you **KNOW SELF**. This is what we, who are the messenGers of **GOD**, the **TRUE LIGHT**, have been fiGhtinG to do. We have to **REMIND YOU** of yourselves.

**We have to brinG you back to the
TRUTH
LIFE
WAY**

1, 2, 3

**So you can Get back home and stop holdinG on to
this feelinG of this world beinG your home.**

Put down the **LOTUS**, **PUT DOWN THE BLUE LOTUS**, **PUT DOWN THE SHROOMS**, **PUT DOWN THE WEED**, **PUT DOWN THE PORN**, **PUT DOWN THE LIQUOR**, **PUT DOWN THE OPIOIDS**, **THE OPIUM POPPY**, Get out of the **POPPY FIELD**, wake up and **GET BACK ON THAT YELLOW BRICK ROAD** so that you can make it to **NIRVANA**, the **GOLDEN LIGHT**. You are to supposed to **BECOME** the **Wizards of OZ**, the **WOZ** or the **WIZE ONES** ... who can find their way home now. What did they show you in the end of that movie, **The Wizard of Oz**? Dorothy taps her heels, the heels of the **RUBY** slippers, **three times**, and she chants:

**There's no place like home
There's no place like home
There's no place like home**

**We have to Remind you to come back home.
In our voices exist certain NostalGic tones.**

Nostos - Algos

Nostos - return home

AlGos – PAIN

It may hurt, but come home.

Remember it was **TOTO** who was able to pull back the curtain. It was **TOTO**, the **DOG/GOD** that went forth and pulled back the veil. That's when the **TRUTH** was exposed. These beinGs who run this realm are not Genetically advantaGed. They are not some invincible supernatural beinGs. They're just little old people and beinGs with more information, more technoloGy, more resources and more soldiers and weapons. That's all.

This is why Eye teach and REmind people that there is absolutely no such thinG as Royal blood. That is only an **illusion**. Wake up. Truth be told, there was never really a Queen or a KinG in history **EVER** other than in the minds of the people. There exists no Royal family other than in the minds of the people. These people live as **GODS**, just like **ANYBODY** can, but they **DIE**, just like any **MORTAL** or any **ENOS**.

So when **TOTO**, which comes from the Latin word, **TOTUS**, a word that means **WHOLE**, or **ENTIRE**, or **COMPLETE**, pulled back that **VEIL**, that was showinG you riGht there that the spell was broken, the wool was lifted off of their eyes, and they were able to **SEE/KNOW** the **TRUTH**. When that happens for you, Reader, you are all set or risen to Go back **HOME/OM/AUM**.

That is when you will Go from lotus, which is **hidden** and **covered up** and kept in the **dark**, to **TOTUS**, beinG made **WHOLE** or **ENLIGHTENED** or **ELITE**.

FROM LOTUS TO TOTUS

**COMPLETE FOR US OUR LIGHT
PERFECT FOR US OUR LIGHT**

Help us alonG this yellow brick road

This path to **GOLDEN LIGHT**
symbolic of the **SUN**, the **ATEN**,
we don't wanna forGet.
We don't want to be **LOST**.
We want to be **FOUND**,
we're ready to **GO HOME**.

So it's just like Eye said. That **LOTUS** or that **KAMALA**, mixed with that war weapon called the **BIDENT(BIDEN)**, **THE SENSES NUMBING PROGRAM**, was rolled out. The senses of the people have been numbed all over aGain for these last 3 GoinG on four years. How many people feel like they're already in the year 2024?

How many of people feel that way riGht now, that they are not even in 2023. It's as if they are **WATCHING** the year pass in front of them. Do you feel that way? If you do, that is because you're beinG called forth.

You have to escape the **Gravitational pull** of this fallen realm. You will be in a whole different world with a whole different time zone, if you wanna call it that, and you will be able to reach in and pull people out usinG everythinG I've tauGht you. People don't know what Eye teach from the outside. They only see what they see. Why do you think Eye was never biG on savinG the live streams that Eye have done on **InstaGram**? That is because Eye see it this way:

If you're supposed to be on the live you will be present. If you are supposed to be in that moment or in those moments with me, you will be. The only reason the replays on **Clubhouse App** Got saved is because those replays were proGrams themselves that can be used over and over aGain at different points in time.

People are findinG their way to me at different times. There are some thinGs that Eye will teach and breakdown and buildup that may not be for everybody to hear. Some teachinGs of mine will not be recorded and the only way people will hear those teachinGs is if they were/are present. So they, the world, don't know what I'm teachinG. They don't know who Eye am. They can't fiGure it out and that's because you're not supposed to **Overstand** if you're not walkinG with me. They are supposed to be confused because if they could box me in they **WOULD**, but they can't, and they shouldn't be able to box **YOU** in. Be sure to broaden **YOUR** horizons so that you can see the liGht beyond what they want you to see.

Get ready because it's time to Go Home **ET**. I'm not talking to everybody riGht now, but you know who you are and that's why you're here riGht now readinG these words. **Are not you prepared???**

You were **Alice in Wonderland**
You were **Dorothy** in the **Land of Oz**
You were **Neo** in the **Matrix**
You were **Nemo** in the **Ocean**

But you're not a **NOBODY** (meaninG of the word **NEMO**) anymore.

We had to come and find you, they sent in all the warriors, or the **MARLINS**, and we had to fiGht for you, we had to **REMINd** you. We came to **EVERY SINGLE GENERATION**. You can Go back as far as you can possibly Go and you will see us there, incarnated as human beinGs, **LOOKING FOR OUR LOST FAMILY, AND NOW THAT WE HAVE FOUND YOU, NEMO**, This **ODYSSEY** is finished.

We had that Eye on us, **POLYPHEMUS**, the **CYCLOPS**, that **Illuminati organization**, **THE FALLEN**, from the beGinninG. They always found a way to find us and kill us or imprison us just like they did **ODYSSEUS**. Just like they Did **JESUS**. Just like they did **MALACHI**, **MARTIN**, **MALCOLM**, **TUPAC**.

We came to show you the pathway back to HEAVEN.

Your heaven on Earth will beGin within your body.

When people like **UMAR JOHNSON** were sayinG thinGs like if they "have to die to experience their heaven" then they don't want it, it only revealed that they haven't read the BIBLE. That's not how it's written. It's actually the opposite. You don't have to die. When you read the book of Revelation it explains that the ones who suffer or Go throuGh the first or second death are the people don't reach that heaven. It is the redeemed people **The 144,000**, **The chosen**, **The Elect**, who enter into **HEAVEN** alive.

**AND THEN THERE'S A NEW HEAVEN AND A NEW EARTH
THESE ELECT PEOPLE DON'T HAVE TO "DIE"**

It stars within and Goes without, that new heaven and new earth.

You Get yourself prepared and you'll see it actualize.

**Your heaven can't be on Earth if you're too attached to NASUT,
The material Plane.**

Your heaven can't be on EARTH if you're too materialistic,

you're too invested in the flesh,

your heart is cold,

your brain is cloudy,

your gut is impure,

**Your HEAD, HEART AND HARA have to be cleaned out.

ALBUS DUMBLEDORE, HARRY POTTER

Just as **ALBUS** means "white", you will be puttinG on your beaminG Garb of **riGhteousness**, meaninG you will be GoinG into **RE • HAB**. You will take on new **HABits** of **RE** or **RAY** or **RA**, which is the **LIGHT/WHITE**.

REHAB:

the process of helpinG someone to lead a normal life aGain after they have been ill, or when they have had a druG or alcohol problem. Rehab is short for rehabilitation. [informal] He spent nearly four years in rehab

HABIT:

Middle EnGlish: from Old French *abit, habit*, from Latin *habitus* 'condition, appearance', from *habere* 'have, consist of'. The term oriGinally meant 'dress, attire', later cominG to denote physical or mental constitution.

BeinG that the **RAY** is the **LIGHT**, which shines as briGht **white** when vibratinG its highest and functioninG at its utmost potency, when you take on **LIGHTER HABITS**, you will be **GARBING** or **DRESSING** your self in all white, the **GARB OF RIGHTEOUSNESS**.

This is/ has been the year of the **RABBIT**, the year of the **RE-HAB-IT**. And that **RABBIT** is the white rabbit or the riGht habit. You Overstand? Eye want you to look at what happens when we take the word **REHAB** and we spin it around. It becomes **BAHER**, or **BAHIR**, which is an Arabic word that means:

Renowned, Bright, Illuminated, Luminous, SparklinG

Do you see that it's that time aGain?

**You must be RE BORN, born into the LIGHT aGain,
as REHABILITATION denotes a REturn to a riGhteous state.**

**BAHIR
BAH UR (UR=PRIMORDIAL)
BA OHR (THE LIGHT)
BA RA (RA=LIGHT)**

This is the E-RA for cominG into the LIGHT, which means you must be liGhter. Your OHR or your AURA has to be BRIGHTER. This will be a transformation from the INSIDE OUT.

Your Genes will be expressed in such a way that you will beGin to see physical chanGes immediately. You will feel briGhter. You will feel liGhter. You will **GLOW**. Your **CROWN**, also know as your **CORONA** will be **RESTORED**.

You will become like the **MONKS**, called the **RAHEB** in Arabic.

You will feel ALL+ONE or ALONE, but as Eye have told you before, you will not be by yourself. Yet as the work **MONK** ties etymoloGically to the word **ALONE**, you will know the heart of the **MONK** for your own.

Just as the **NUNs** have had the hard journey of abstinence and chastity and were chastised for their chastity, so will you be. You may also want to know that the word **NUN** ties etymoloGically to the word **MONK**. They are one and the same.

And when you say the words **Monk** and **Nun** toGether, there is another word that will be formed. That word is:

Monk+Nun
Monk and Nun
Monk N' Nun
Munkinun
Mukminum
Mu'Minun

This word, Mu'minun, is the Arabic word to mean **BELIEVERS** as in those who held FAST to the rope of Allah and saw to it that they were not divided:

Quran 3:103

*Hold **FAST** toGether to the **ROPE** of Allah and **be not divided**. Remember the blessinG that Allah bestowed upon you: you were once enemies then **He brouGht your hearts toGether, so that throuGh His blessinG you became brothers. You stood on the brink of a pit of fire and He delivered you from it. Thus Allah makes His siGns clear to you that you may be Guided to the riGht way.***

AND IT IS NO COINCIDENCE THAT THE CHAPTER OF THE QURAN THAT IS CALLED **AL MU'MINUN** IS CHAPTER '23, as in **2023**.

As Eye have told you **2023** is the year of **OFFENSE**. It's time to Get off that fence. What fence? The **LUKE WARM** fence. The fence of not knowinG whether you are **hot** or **cold**.

Rev 3:16

Eye know Thy works that thou art neither cold nor hot, Eye would thou wert cold or hot

Heat up. **Become** and **REsonate** and **connect with** the **true liGht**, the **SHAMS** (SUN). We have reached a critical point in that **E-RA** that calls for those of us who **KNOW** the truth to **RECTIFY** the **ERROR**, which is to say **WRECK** and **DEFY** the **ERROR** that they, these beinGs who follow behind that **EL** called **SET**, the **SETITES**, have caused the world to walk in. You must know that just as we have started newer journeys, surely even newer journeys are **underway/on their way**. Wake up, **FAST**. Take **90** days. That is what it takes, scientifically, to **REWIRE** your brain. Abstain from the pleasure of ejaculation/masturbation/orGasm. ChallenGe yourself and war with yourself. Eye never said it would be easy. Eye am only sayinG it is necessary. **2024** comes with **REAL REWARDS**. The further away you are from this **falsified** world of REwards, the more favorable it will be for you. Come **HOME**. See you soon. **Eye Love You. Peace, Reader.**
